A balance of forces
Working together to make one.

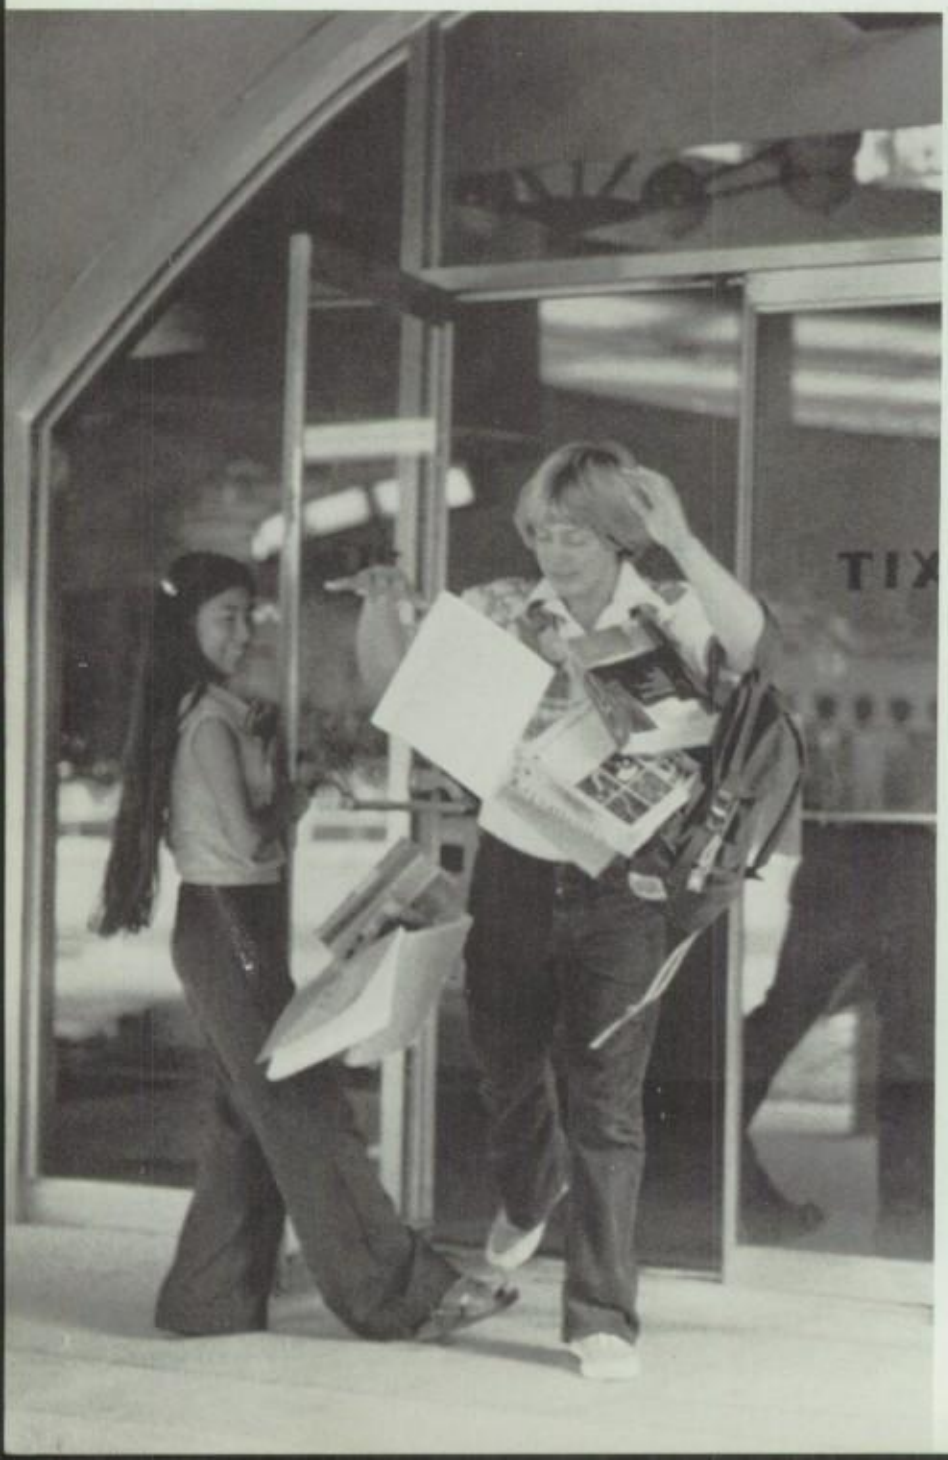
STUDENT LIFE

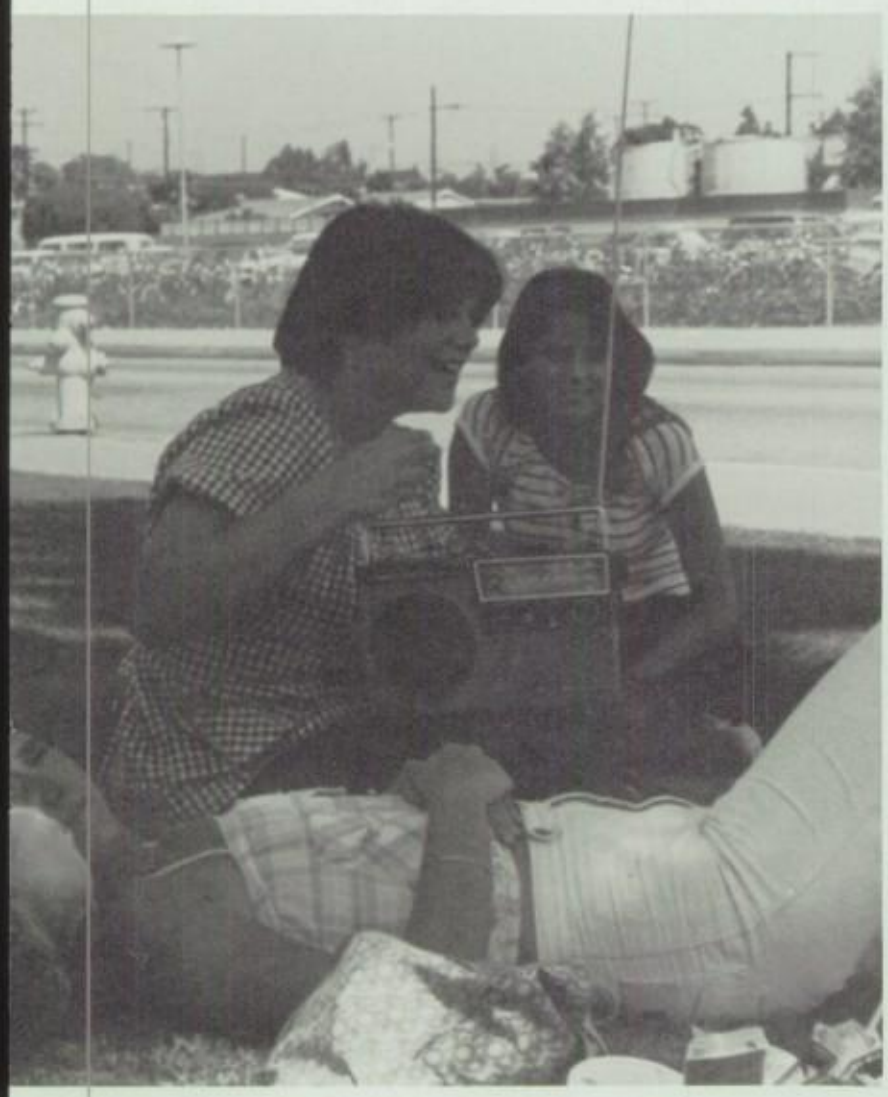
1. Daze Of Our Lives

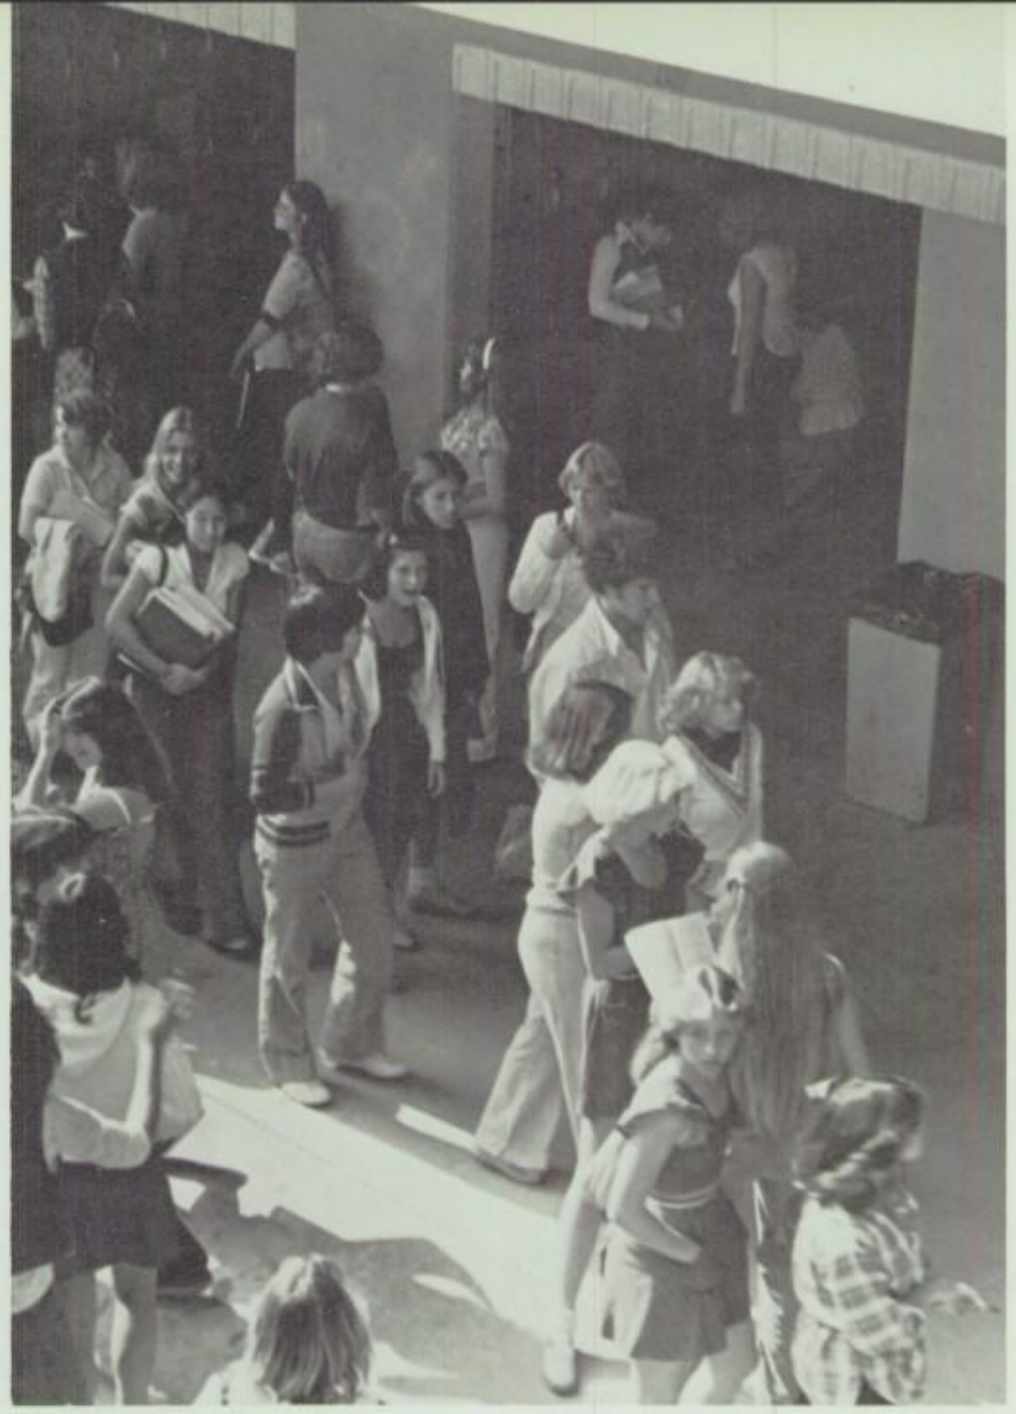
School Starts With A Sizzle

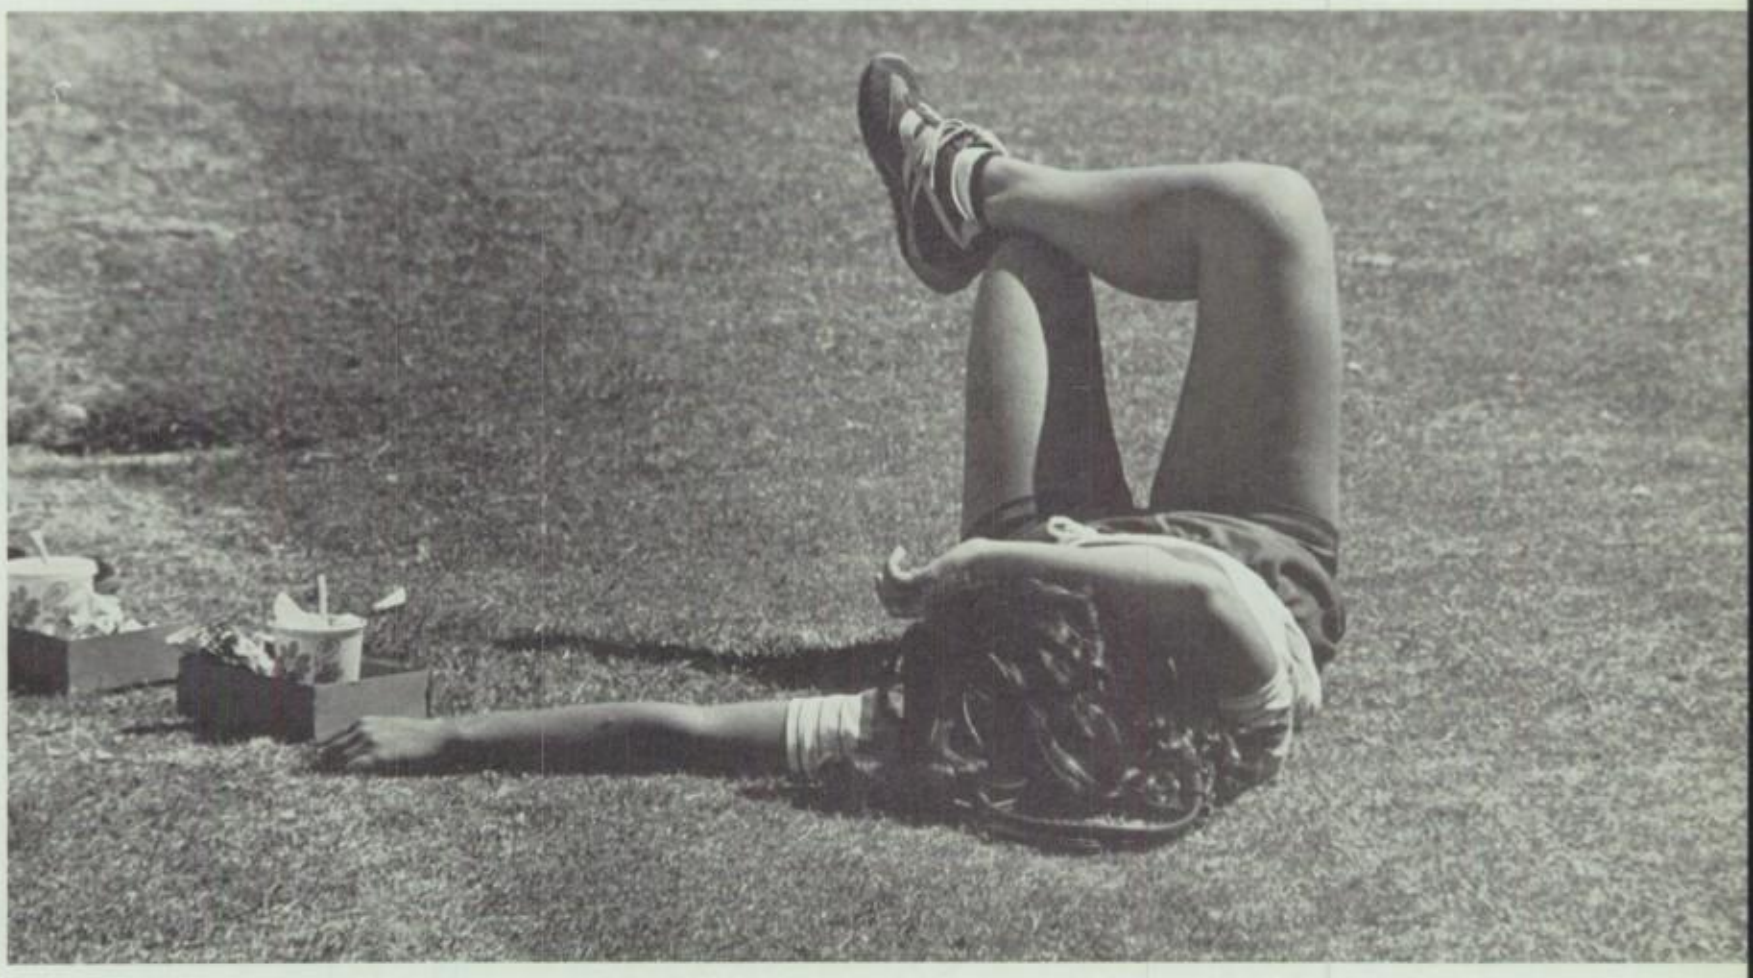
The 1978-79 school year began with the usual . . . crowded locker bays, lost freshmen, new classes, and plenty of homework. And, as in all other years, the counselors were swamped with work, while students attempted to switch classes. Confusion was prevailent as ever. There were, however, some events which set this year apart from the others: with the thermometer soaring to 105 degrees, students were searching for a way to cool off. Some managed to survive the heat by dressing casually in shorts, leotards, and tank tops. Others turned their backs on homework and headed for the beach.

While students were bathing in the sun, workers were busy putting up the new marquis. But no one needed a marquis to tell them that another great year at west had begun.









CLOCKWISE FROM ABOVE: The premier of the new marquis. West High students kick back during the beginning of school heatwave. As students collect their books between clases they take time to discuss everything from past romances to recent test scores. An overly enthusiastic student shows her spirit during the September heat. Students hurry across the grass in an attempt to reach their next class on time. Too many books can be hazardous to your health as one West High student found out.

Warrior Week Starts Off With A Bang

Cabootle football, sack races, tricycle races, and pushing a VW; these were all a part of Warrior Week activities. Each class sponsored an event at lunch, with the Pep Squad leading the battle for the spirit stick on Friday, (the Sophomores won).

Kicking off the lunchtime fun was Cabootle football, sponsored by the sophomores. Teams of two people tied together back to back attempted to score points by kicking or throwing the football through the goal posts.

The "Bug" came on Tuesday. All the classes really had to struggle to complete the 440 yard race for the best time.

Careening around the curves on Wednesday were the madcap cyclists and their partners. Many of the participants got carried away in the excitement and came away with scraped knees and torn pants.

Bouncing and falling people were seen on Thursday in the sack races, the last event of the weeks competitions.

The results of the Spirit Stick competition led to a tie in the overall standings of the week long activities, between the Juniors and the Seniors.

The tie breaking match was a "Tug 'a' War", in which the class who won two out of three rounds won the overall title. With the score tied at 1 to 1, the rope broke in the third round, leaving the match in a tie again with the second tie-breaker scheduled for another day.

CLOCKWISE FROM LEFT: The Sophomore class excercises their muscles pushing the VW. The Sophomores cheer enthusiastically to win the Spirit Stick. The Junior class straining in the tie-breaking "Tug 'a' War". "On your marks, get set ...". Denise Wixom hops down the field, trying hard not to fall. Cathryn Center and Matt Gonzales try to score points in Cabootle Football.

Homecoming Night Moves To Half-Moon

The 1978 Homecoming was a balanced combination of tradition and innovation. Enough tradition to maintain the meaning of the occasion, yet enough newness to make it unique and memorable for everyone who participated.

As in the past, the Homecoming Queen was announced during the halftime break of the Homecoming football game. When the fireworks went off and Cheryl Thune's name appeared, everyone knew that she was the new Homecoming Queen. Since last year's Queen, Terri Potter, was unable to attend, Tony Manos crowned Cheryl Queen. One tradition which was broken was our losing the football game. We almost won but Santa Monica pulled ahead to win with a score of 14-13.

The dance was held on the night after the football game. Most of the couples keeping with the theme of the dance "Night Moves", spent the evening dancing to the sounds of Half-Moon. Nearly everyone agreed that the band, which played a combination of disco, rock, and slow music was exceptionally good. About 10:00, during a break in the dance, Eric Maier became West High's fifth Homecoming King.

West Keeps In Touch With Fashions

Clogs and boots, straight leg and pleated pants, lacy skirts and long scarves-these were the fashion highlights of 1979. This school year noted several changes in styles. 1979 marked the return of clogs and the delrit of babydoll shoes. Boots remained in style. Pants got narrower. Cigaret leg jeans emerged, along with straight leg cords. Pleated pants were also popular with both boys and girls.

On the whole, clothes were dressier. The influence of disco was obvious across campus, adding the shine of satin tops and silky leotards. Long lacy scarves also made a hit and showed up on many West High students. Other fashion flashes: velour tops; spike heels; v-neck sweaters; rounder, narrower, and no-collar collars; vests; menswear for girls; and western wear.

Friday Night Football . . .

More Than Just A Game?

Bright lights, excitement, and clashing bodies are all part of a common high school tradition ... the Friday night football game. But to many people Friday night football is more than just a game.

It is a social event; a time for students to meet with friends after a hectic (school) week, and enjoy themselves through laughter and conversation. Much of the time students are only aware of the game during kick offs, and other highlights, and a common cry heard at the end of the game is "What was the score?"

Yet there is still a common bond uniting students and parents alike in the form of dedication. Parents provide valuable support week after week by cheering the team on, as well as by manning the snack bar. The effort on the part of the parents is further augmented by that of band and pep squad members.

When speaking of dedication it is hard to forget the hours of practice put in by students involved in these groups. All this effort pays off in the end by keeping school spirit high, and by providing a focal point for the many students who prefer shapely legs to football!

The people deserving the most recognition, though, are the coaches and athletes. The coaches have a dual role to fill in that they are responsible for getting the players mentally, as well as physically, fit for the game. This is normally accomplished through the usual pre-game pep talk. The coaches are aided in their efforts by the stats, who keep everything organized in addition to taking down statistics.

Yes, this is the Friday night football game, a high school tradition which will stay with us in years to come.

CLOCKWISE FROM BOTTOM LEFT- West High rooters stand up for the kick off. Fur trapper Trampe pauses for refreshments during a break in the game. Parents provide valuable support during a typical game. West Puts Its Best Face Forward

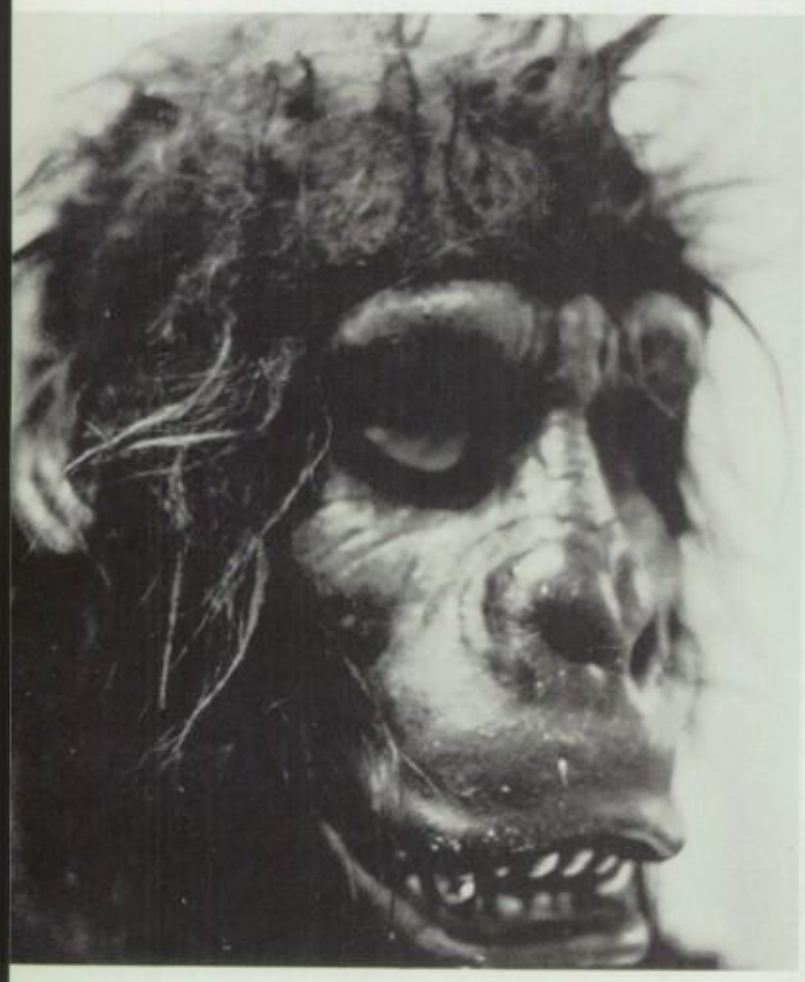
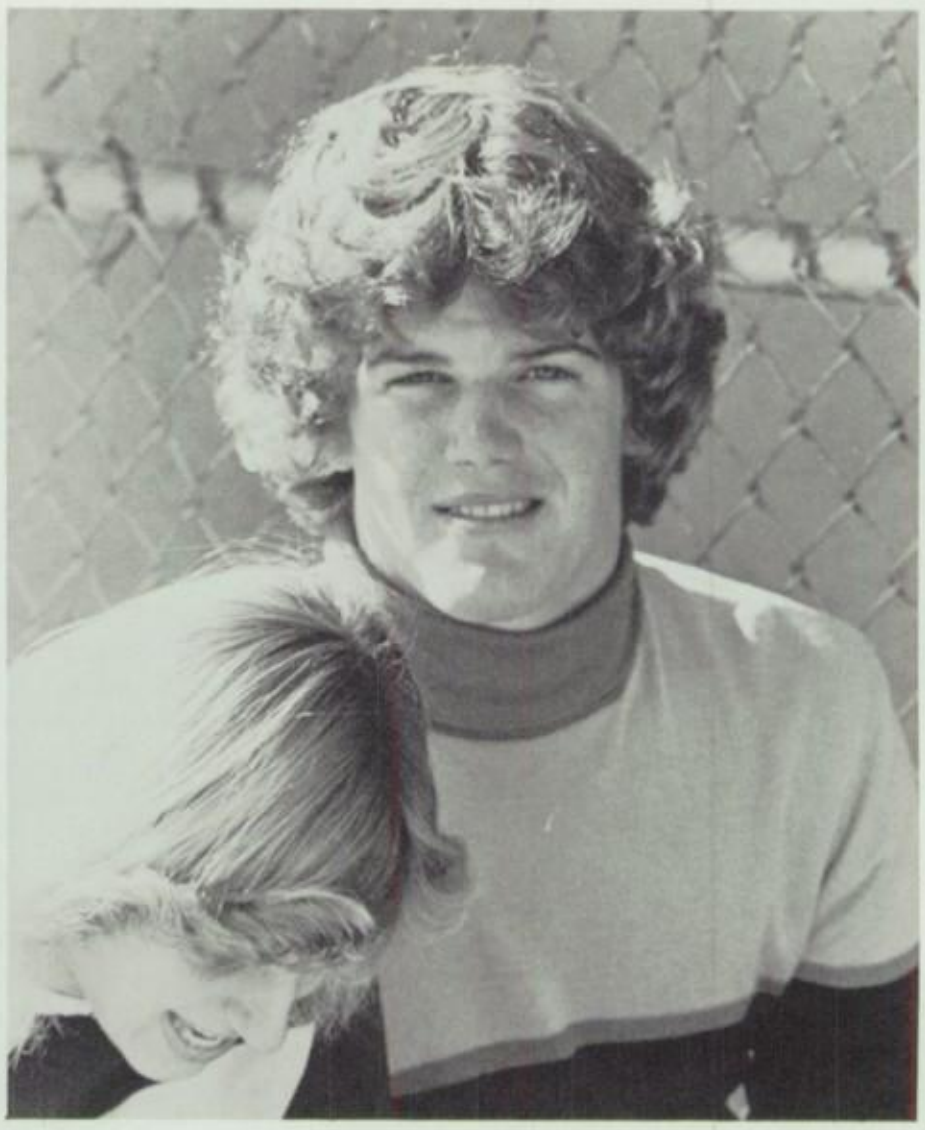
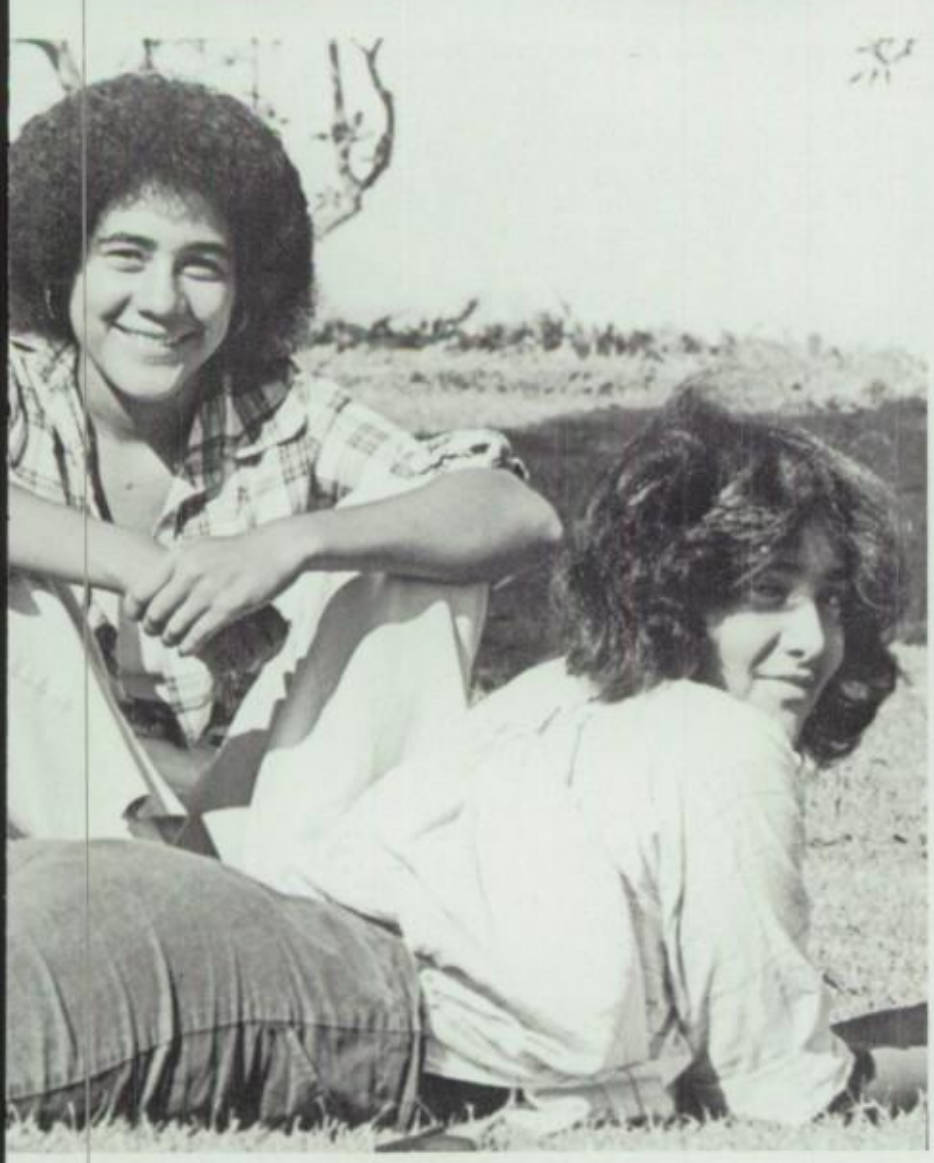
West is an ocean of faces. Moods, shown through facial expressions, are visable throughout the campus. This special kind of spirit, built from the personalities of different people, creates the unique character of our school. These moods and expressions change from moment to moment but the spirit lingers on.



CLOCKWISE FROM ABOVE- Just another pretty face! Cathy Kair is caught on spot. "You mean this camera needs film," says Roland Montalbo. Robert Hayes watches as Debbie Whipp avoids the camera. Cathy Manos doesn't believe her eyes. Suzie Smith and Kathy Salazar Relax on their lunch break. During a hot summer day Darrien Coates ponders on why she wore a turtleneck?





Activities Offer Break From Routine

The scene in the bandshell on October 31 resembled an offbeat version of Let's Make a Deal, the only thing missing being Monty Hall. The occasion, of course, was the annual Halloween Dress-up contest, with costumes ranging from Tweety Bird to Riff Raff of the Rocky Horror Picture Show. A delectable Carrot (Laura Pabst), an abominable snowman (Richard Boone), and a tall clown (Juliet Lawrence) claimed the titles of Most Original, and were presented with gift certificates to the Wherehouse.

The cafeteria on Saturday, Nov 4, was the sight of another annual school event, the West High Pancake Breakfast. Those attending the Pancake Breakfast were provided with pancakes, scrambled eggs, sausage, orange juice, and coffee or milk, as well as the opportunity to watch various coaches try their hand at flipping pancakes.

As usual, West High's fall quarter was peppered with numerous pep rallies and dances, with the most notable ones being the 50's pep rally and the dance featuring the disco sounds of Afrodesia. Further occurrences during the fall semester included a Rose Sale, the Powder Puff Football Game, and various lunchtime concerts put on by the Aristocracy and local talent.

CLOCKWISE FROM ABOVE—Students release their aggressions at a Friday night dance. West High coaches demonstrate their expertise in pancake making at the Booster Club's Annual Pancake Breakfast. The Pep squad sparks enthusiasm during a rally with their rendition of the hit movie "GREASE." The spirit of Halloween is captured by **Richard Boone, Laura Pabst,** and **Juliet Lawrence,** who won awards in the Halloween costume contest.

West Loves The Night Life

What do West High students do after a hectic week at school? A few fill their weekends with homework, but most find other activities to fill the time, even if it's going to work.

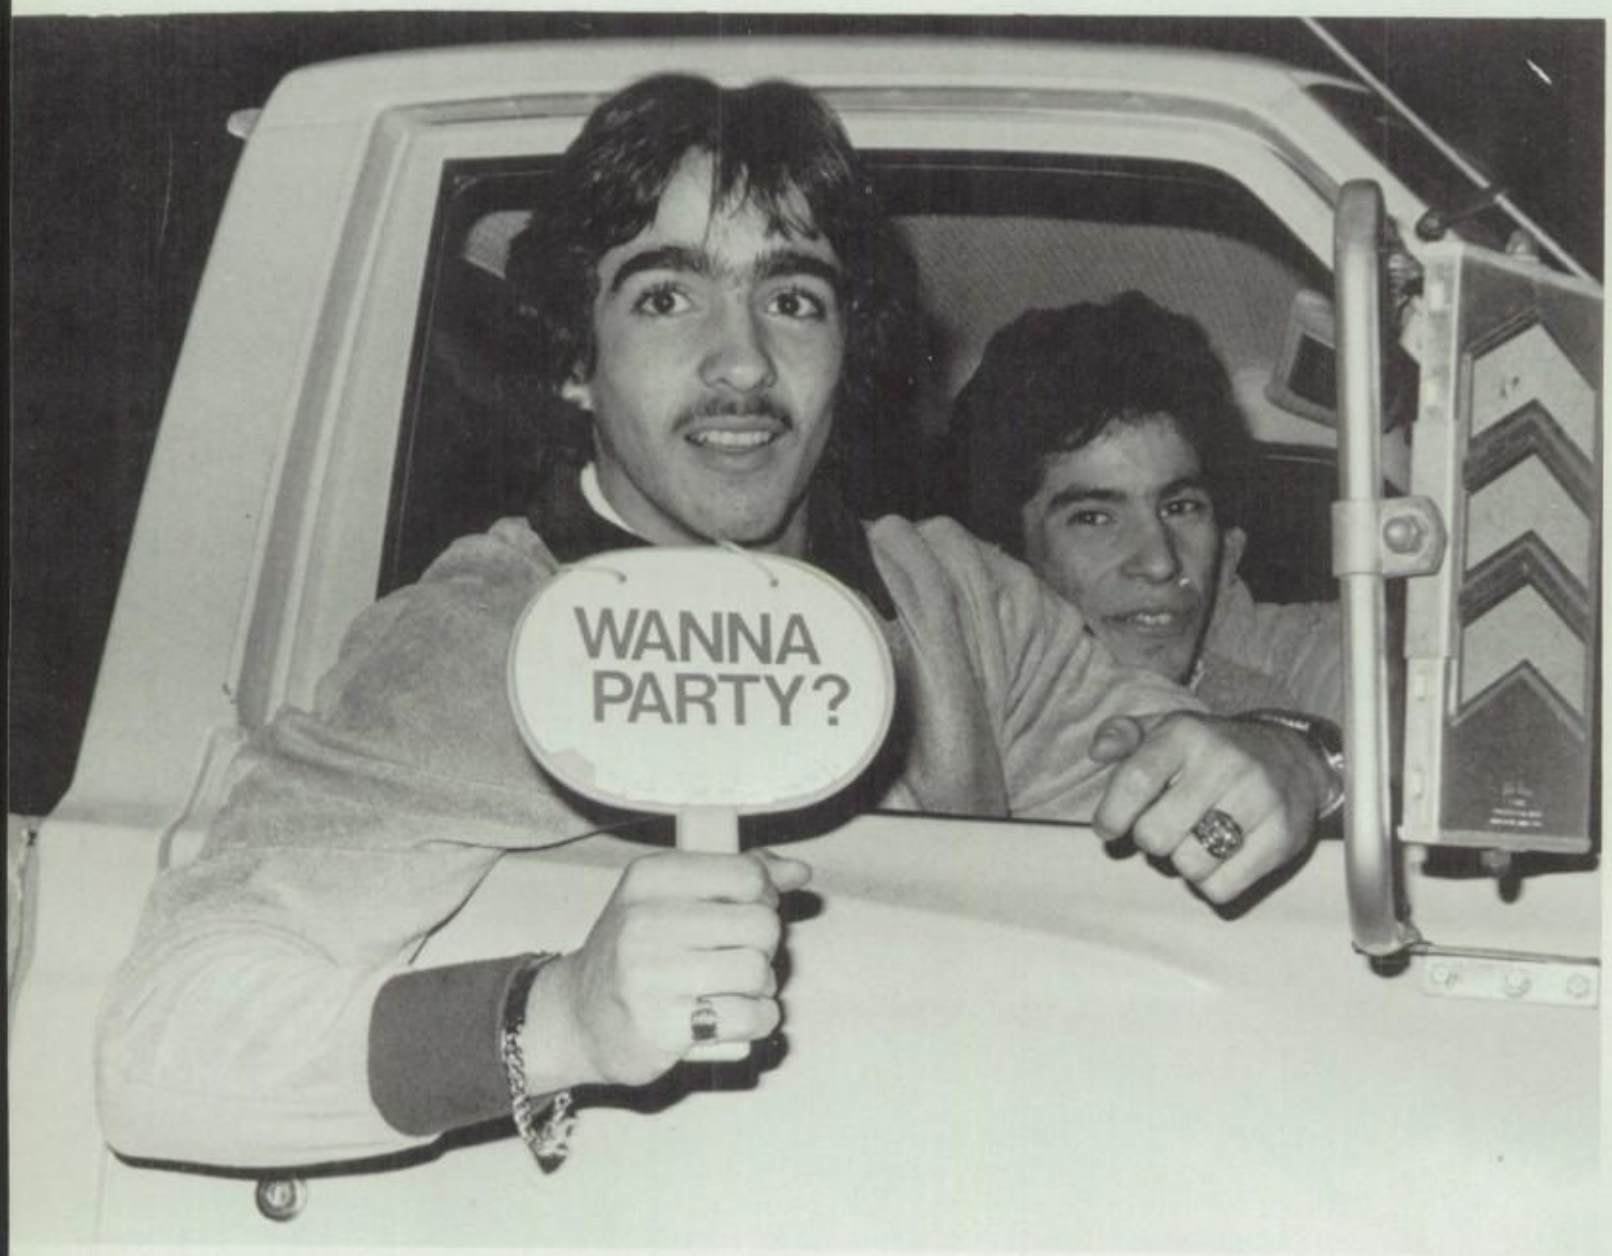
A big attraction this year was the "Rocky Horror Picture Show". The line for the midnight showing began at 10:30, with the antics of the costumed fans keeping the crowd entertained. These avid fans saw the movie anywhere from one to one hundred times, and always came back for more.

The disco craze has affected everyone, with many high school kids rushing to such places as Dillons and Noah's Ark to dance all night.

Disasterous to the victim's, is the late-night escapade of TP-ing a house. Wrapped, tossed, and twisted around trees, houses and cars; fifty or more rolls of toilet paper can be a big mess to clean up.

These weekend activities build up an appetite, leading kids to the nearest drive-thru: Jack in the Box. After "cruising" around or a movie, people stop in to eat, meeting their friends, comparing cars and staying just to talk.

Everyone looked forward to weekends and even though there weren't enough parties for everybody to go to, most people managed to have fun.



CLOCKWISE FROM ABOVE: **Jorge Hernandez** and **Jim Lessiare** flash the West High slogan, "Wanna Party?" "I hope we've got enough for at least one house!" **Paul Jones** and **Corinne Tuccinardi** enjoy themselves dancing the night away. "Oh darn, it's closed." People intrigued with transvestities and other bizarre characters line up for the midnight show. A typical Friday night at Jack's, after all the other fun.

Christmas Concert Comes Home For The Holidays

The annual Christmas Concert with it's theme of Home for the Holidays broke West High tradition. After an uncountable number of Christmas programs in the gym, the spectacle of over 250 voices moved to the Warrior Pavillion.

The theme of the concert could be seen in the Father's (Ross Shumway) concern that his son, Nathaniel (Dan Gnzales) had not been home for Christmas in three years. Nathaniel's Mother (Kris Smalley) tried to ready the household for visiting carolers while Grandma (Rosemary Suade) reminisced of the olden days when fruitcake was baked in woodburning stoves. Nathaniel's sister (Carolyn Gingrich), also upset that her brother would not be home for the Holidays, remembered the times she had spent with him on Christmas morning. After Uncle Ed (Ray Dobson) shared the familiar christmas story, Nathaniel surprised his family by showing up just in time for the celebration.

The climax of the concert arrived with the choirs singing of "Home for the Holidays." The custom of ending the concert with the Hallelujah chorus prompted Dan Stowe into explaining how being involved in such a production "was an inspirational experience."

An inspirational experience it was.

Trio Of Plays Dazzle Onlookers

What do a post-war schoolroom, an elegant French restaurant and a playground have in common? They were all settings for the drama department's Fall Festival of One Act Plays.

The first of the three plays dealt with a schoolroom just following "a war that we had lost." Returning teacher Miss Worden (Melanie Austin), representing the pre-war society, tried to conduct the class as if the war had never taken place. All was fine until Irena (Amy Hughes), a teacher representing the new society, entered and removed Miss Worden from the classroom. Irena tried to win the children over while, at the same time, indoctrinating them into the ways of Communism. She finally triumphed after her promises of ice cream, cake and candy persuaded the children into following her teachings.

The second play was about a girl with a funny nose (Cindy Kelley) who was ostracized by her fellow playmates for being different. Everyone lived happily ever after when the girl fell in love with the boy of her dreams: a boy with a funny nose just like hers (Dan Gonzales).

The final play was an absurd comedy about the love affair between a crude construction worker and an educated Radcliff Sophomore in an elegant French Restaurant.

Much thanks goes to the lighting and backstage crews who played a vital role in making the production a success.

An Alternative To College?

Does the Southern California Regional Occupational Center, commonly known as SCROC, actually offer students residing in one of six participating school districts a free alternative to a college education? According to officials of the program the answer is yes.

Basically a job training center with the purpose of preparing students for employability in the Working World, SCROC offers occupational training in more than 35 fields ranging from advertising design to welding. Students attend the program for three hours out of a seven-hour school day and are provided with bus transportation to and from SCROC. Upon completion of the course a certificate of proficiency is issued which is conducive to a better-paying job.

Besides acquiring highly sought after skills, participants of the program become accustomed to the rigors of the Working World by learning to meet deadlines and by being responsible. Students generally use time cards to punch in and out and train under true working conditions with the aid of highly skilled instructors. The end result of all this is responsibility and maturity as well as the ability to efficiently perform a skilled function.

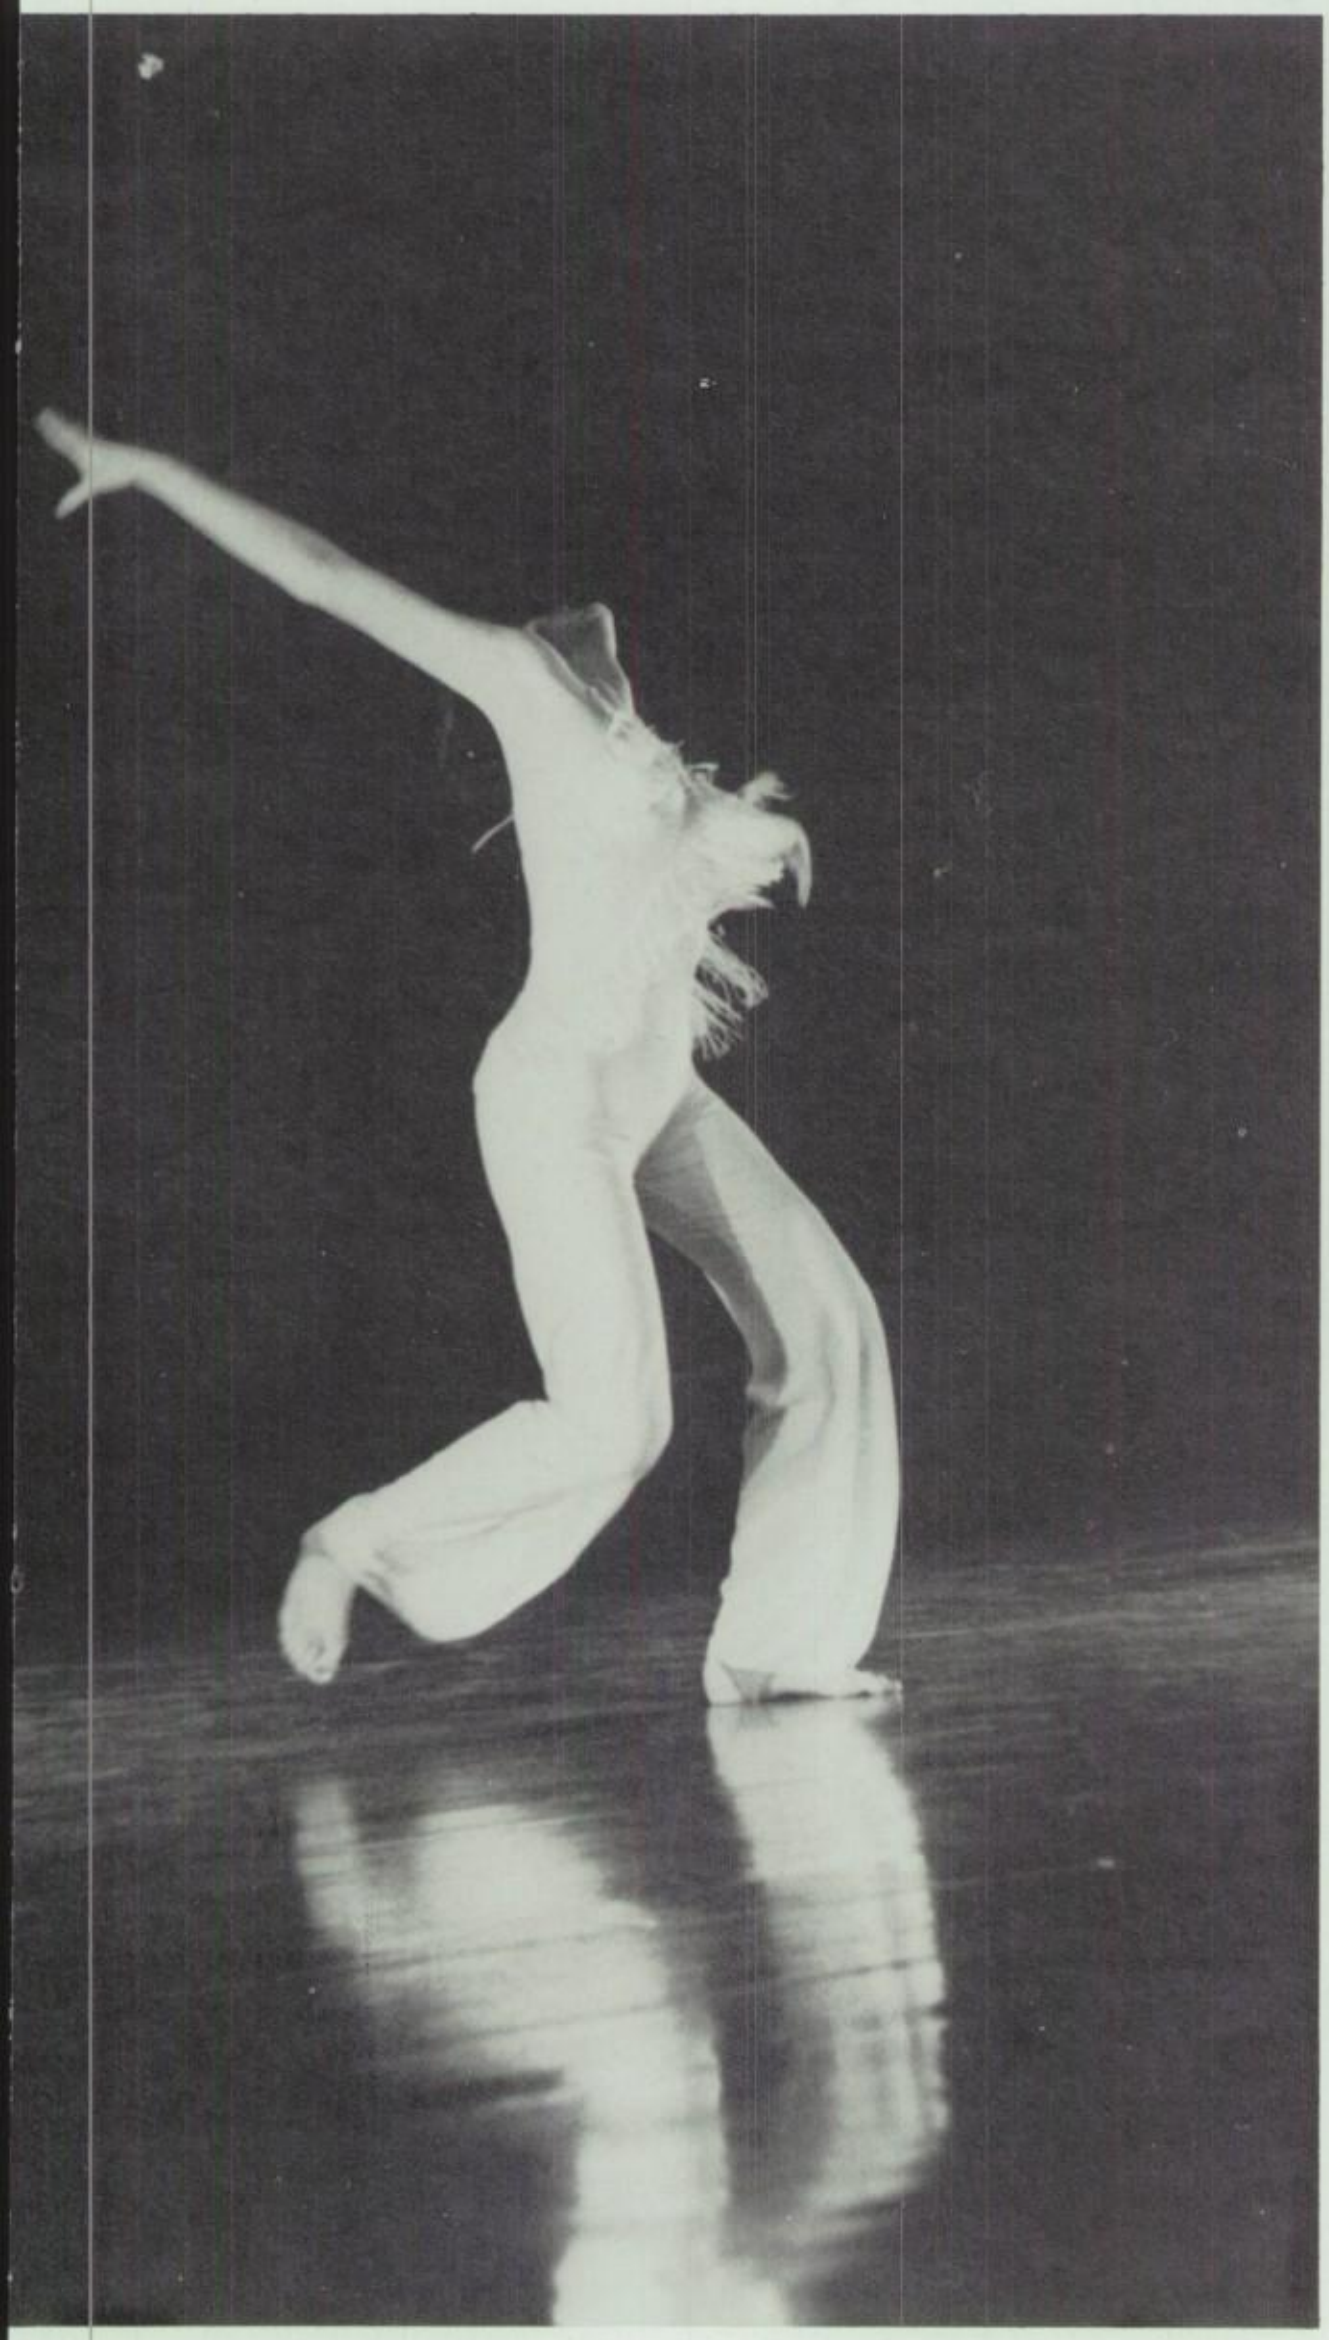
Performance Reveals Dancers' Talent

Jazz, abstract, and lyrical dance styles were combined to make the Fall Dance Production a well paced and entertaining program. The performance, by the advanced dance class and Dance Company was the result of dedication and hard work on the part of all involved.

The majority of the dances were choreographed by the students who prepared for the program for three months. Marty Loughrie McCabe was the guest choreographer, her dance being "Rain Throughts" an expressive piece in the lyrical style. Garrie Holcomb, dance director, also choreographed "Underwater Fanta-Sea". These two dances were performed by Dance Company.

Other highlights of the show included "A Cabaret", a jazz piece choreographed by Cilda Shaur, "Aftermath" an abstract interpertation of the end of the world choreographed by Toni de la Espriella, and "I Saw a Star Slide Down The Sky" by Annette Lucero. It included a poem, published in the program and announced during the dance. "Freestyle" a traditional Dance Company selection, was also performed. Between their hardwork and talent the dancers presented an exceptionally good program.



CLOCKWISE FROM ABOVE—**Roxanne Ocampo** balances precariously in "A Cabaret." **Katie Burley** is captured in a moment of creative expression during the dance "Bird of Fire". Spirit Day Proves Competitive

The air was full of excitement, nervousness, and anticipation as everyone got ready for the West High Band Parents Association sponsored Spirit Day.

Two thousand girls had practiced many hours to prepare for the stiff competition between schools from all over Southern California. Tall flags, short flags, cheerleaders, songs and drill teams competed in various divisions for the many trophies and awards.

Although the day was disapointing for our Pep Squad and Tall flags, the Varsity and JV Marjorettes did well placing second and fourth. Also, both Small Precision teams did well, placing in the top five in their divisions.

CLOCKWISE FROM ABOVE—**Ruth Minturn** and **Sandy Smith** practice for the upcoming competition. Talent Show Features Smiles, Songs, Shoulders

The Ides of March this year ushered in Smoke Signal's 5th Annual Talent show, which might have been more aptly designated as a musical extravaganza. Musicians and singers alike turned out in force at the request for talent, and viewers of the performance were entertained with displays of vocal skill and musical wizardry.

Rock and roll numbers comprised a significant portion of the show, with the opening act being an explosive version of "The Star Spangled Banner," Jimi Hendrix style. Fans were not let down as the show progressed further and the music of such major rock as the Beatles, Queen, David Bowie, and Be-Bop Deluxe was performed.

The comedy team of Pancho Dewhurst and Ray Dobson was once again chosen to host the Talent show, and they did so quite capably, performing the familiar "Who's on First?" routine timed near to perfection. Other highlights of the evening included a rendition of Chuck Mangione's "Feels So Good," complete with a terrific trumpet solo. Yet for many the evening was amusingly topped off with the Faculty Precision Teem. Having coordinated their movements to the sound of the disco version of "Yankee Doodle Dandee," the teachers succeeded in making complete fools of themselves.

CLOCKWISE FROM BELOW—The "Faculty Precision Teem" kicks up a storm. Hosts **Pancho Dewhurst** and **Ray Dobson** discuss Pancho's amazing resemblance to the microphone. **Dan Gonzales** and **Bob Faulkner** wind up the show with a caustic version of "Why don't we do it in the road?" **Rick Maranon** displays his abilities on the guitar. **Kelly Griffin** sings her heart out. **Mark Roulette** demonstrates supurb talents on the trumpet.

Rose Parade Dream Blossoms For Band

It was cold and dark at 4:00 in the morning on the first day of 1979, but whether it was determination or the sound of an alarm clock, close to 175 West High students woke up.

By 5:15 AM, they were at West looking more like the band, majorettes and tall flag and banner team that would participate in the 90th annual Tournament of Roses, in just three hours.

The tall flags and majorettes already had their special make-up on, and as the tired students boarded the buses, complaints about the upcoming six mile walk were everywhere.

Upon arrival in Pasadena, the band got into formation, and marched to the parade site. When their turn came, they started along the parade route.

As part of their reward for participating in the parade the Warriors received a free lunch. Before the buses left at 12:45 PM the students were given a chance to look at the floats.

CLOCKWISE FROM BOTTOM FAR LEFT—All of the hard work pays off as the Warriors march down the parade route. Band members assist the Tall Flag Team in assembling the banner. Band members go through early morning preparations on the Foothill Freeway. Band members enjoy themselves during the six mile march.

Music In The Making

The Warrior Band was one of the most active and involved organizations. Through constant practice and competition, instructor Ronald Large took a collage of talented musicians and molded them into an outstanding group.

Two periods a day were taken to develop the musical talents of each member. Intensive practice during holidays and Christmas vacation produced a band that consistently won awards. Led by Drum Major Tim Ducar, the Warrior Band took first place in the Simi Valley competition, the Chino Band Review, and the Cal State Northridge competition, as well as numerous other awards. The band also won a place in the prestigious Rose Parade, for the second time in five years.

Concert Band, which met second period, was composed of beginning performers, while first period Wind Ensemble consisted of the more experienced musicians. Percussion ensemble met third period to practice and refine their talents. Zero period combined all of these groups into one performing unit, known as the Marching Band.

Another facet of the Music Department was the Orchestra, which stressed classical music through the combined use of wind instruments, guitars, and percussion.

For the first part of the year, band members worked on halftime shows and parade marches. During their "second season" they concentrated on classical music.

As a result of last year's fund-raising, the band was able to purchase and receive new uniforms this year. During late November they sold candles to build up funds for a trip during the coming summer.

Auxiliary Units

Prove Dynamic

The members of the Tall Flag and Banner Team managed to overcome several obstacles, and become an award-winning group this year.

With the exception of team captain Cheryl Novotny, and co-captains Julie Bernstien and Sue Fero, the entire team was composed of new members. The team also included 22 girls, making it the largest group ever.

During the first six weeks of the summer, the Tall Flags practiced two hours a day. After school started, practices were held everyday, before and after school.

Tall Flags took first place at the Cal State Northridge Halftime Competition on November 4, and placed second at Simi Valley on October 24. They also competed in the Chino Band Review and Spirit Day.

The Varsity and JV Majorettes were often seen practicing sixth period and after school. Every Monday evening, prior to practicing with the band, they took twirling lessons from Jackie Thorp. Even before school started, they attended a majorette camp in Santa Barbara, where Varsity placed third in competition.

Both the Tall Flags and Majorettes had the opportunity to design their own uniforms. The groups were also aided in making up their routines by Long Beach State student Buddy Gilbert.

Warriorettes Step Off In Style

Drill Team could be best described as "an experience". It provided the opportunity to start new friendships and to build up old ones as numerous hours of practice were spent together. The Warriorettes had to put forth a great amount of dedication to make Drill Team effective. The product of these practices was a deep satisfaction, for each half-time show, parade, and competition brought new excitement.

Tears of joy, cries of surprise, and smiles of happiness could be seen at every competition. At the Chino Band Review, the Drill Team succeeded in taking the Sweepstakes and Specialties Award. With the same skill and confidence, they placed first at the Arcadia Band Review and for the first time ever, competed in a half-time competition and stole the show by being judged the best. Their success was due to their unique and well executed routines which were created by Captain Jinny Hyun and Co-Captains Annette Moorefield and Tina Glorioso.

The Drill Team and Band, have made tentative plans for a summer trip to Switzerland, where they will be the only Drill Team and Band representing the United States.

Without the support and experience of sponsor, Marilyn Commeau, Drill Team would not be where it is today. Drill Team will continue to be a wonderful experience full of unforgetable memories for all to treasure.

Student Rulers: Do They Really Work?

Leadership at West High produced another year of exciting events. Under the leadership of full-year ASB President Tony Manos, student council was faced with several problems that never confronted them before. The majority of problems stemmed from the fact that they had an umbalanced budget to work with. Despite attempts to balance the budget, only a few cuts were possible, and the budget was accepted (with a deficit) at the beginning of January.

Revenue for the ASB was severely reduced throughout the year, because junk food was no longer sold in vending machines or fund-raising events due to the Board of Education's policies.

Each class was also very busy during the year. The seniors sponsored the Homecoming Dance, Juniors held the Prom at the Beverly Hilton and a rose sale at Christmas, and the Freshmen held a holiday dinner raffle before Winter Vacation.

In November, the Warrior head in the stadium was vandalized, and when no one else would repaint it, student council took it upon themselves to do it.

Second semester, extreme student apathy was apparent at election time. Four offices were left without any candidates, and council was forced to appoint students who showed some interest. There were also several offices which only had one candidate running.

Council was involved in both learning about leadership and educating West's students about it. Bob Ducar, Tony Manos, Sanjiv Kripalani and Dan Stowe conducted a student leadership seminar for two days in December. The entire student council participated in a California Association of Student Councils (CASC) seminar and workshops at El Camino during the first semester. Over the summer, Wendy Corrick and Sanjiv Kripalani attended a special leadership seminar at University of California at Santa Barbara.

Choral Groups Develop Vocal Talent

Music is a combined expression of thoughts, feelings, emotions, and harmony. It is a part of everyones life. For those wishing to share their talents in a combined group, West High offered an excellent choral program this year. Under the direction of Donnelly Fenn, who has been Music Director since the opening of West, there were four choral groups.

The beginning girl's choral group and the barbershop chorus were open to anyone that wanted to sing. Advanced Glee and the elite Aristocracy were formed by audition. Auditions were made by appointment with Mr. Fenn and increased in difficulty for the more advanced groups.

In addition to the lunchtime concerts, the Music Department put on Fall, Spring, and Christmas concerts as well as numerous others throughout the year. During the year, the Aristocracy sang at a number of luncheons, rest homes, and highlighted the year by a televised performance at the prestigious Dorothy Chandler Pavillion. The Music Department covered the entire spectrum of music, from Aristocracy's vocal jazz and Renaissance to Advanced Glee's pop and Barbershop's-Choir's four part harmony. In addition, Aristocracy recorded their first album last Christmas and sold copies as a money-making event. Earlier in the year, members of the Music Department sold discount booklets to build up their treasury.

Numerous Performances Accent Choir's Year

Choir was composed of 80 young men and women, who were selected by instructor Donnelly Fenn because of their exceptional talent in vocal music. Under his guidance, they worked daily on voice excercises, as well as singing selected pieces as a group.

Much of the choir's activities were outside of regular school hours. They sang at lunchtime concerts and at the Spring Concert. On December 17, they joined with over 900 other choir singers at Disneyland to present a special concert for the public. Following tradition, the choir presented an assembly to the school during second semester.

During the year, Donnelly Fenn received plenty of help from the choir officers. Student director Wendy Corrick took over and kept things going when he was busy. Dave Sarkisian, Choir President, and Corinne Tuccinardi, Vice President, planned and coordinated the Choirs many activities. Denise Hails was one of the choir's most important officers, as she accompanied the choir at all practices and concerts.

Pep Squad Requires

Skill, Spirit, Determination

"Whew! I couldn't believe it when I first heard the news. I'd always dreamed of being a cheerleader, and last spring I finally was chosen. But after all the excitement was over, I found that it was going to be a lot of hard work."

"The first thing we had to do was design our uniforms. Then, over the summer, I was given a cheer and had to come up with some new routines and movements. All of us would get together at someone's house to practice, or we practiced alone."

"Also during the summer everyone attended cheerleading camp in Santa Barbara. Pep squads from all over came to learn new cheers, and to refine and improve their skills. I shared my ideas with a lot of people and learned a lot from them. It was really a blast! This way, when the school year started. we had a variety of new cheers to work with."

"After school started, we had Pep Squad practice during every sixth period. We also practiced after school. Everyone really tried hard so that we were ready for the games. We also entered a couple of tournaments, like Spirit Week and the Mt. Sacramento competition. Dena Flokas was the president of the pep squad and she did a super job of keeping things going."

"Being a cheerleader was fun, exciting, and a lot of hard work. I guess if you wanted to sum it all up, we tried to keep spirit alive, and to let every sport know that the school was behind them."

Long Hours Pay Off For Dancers

To the outsider, Modern Dance may seem like a waste of time and effort, but to those who are part of it, dance is a way of self-expression and exercise.

The Dance Company consisted of West's best dancers, under the supervision of Carrie Holcomb. They spent long hours working on choreography and perfection of style. Their many talents and their hours of hard work came together in the Winter an Spring productions. The dances combined with the music to produce a variety of moods and feelings.

The Spring production also incorporated the beginning and intermediate classes. These classes were described as "more enthusiastic and willing to learn" than ever before. With these traits and a little self-discipline, the modern dance classes used their potential to be the best ever.

'Smoke Signals' Speaks For Itself . . .

And Others

Remember those movies where the budding journalist sits a before a typewriter with mounds of wadded up paper surrounding him? Well, that exaggerated picture isn't far from the truth. "Smoke Signals" reporters often spent hours writing and rewriting stories until they were as close to perfection as possible.

However, writing was not the only responsibility of the newsmagazine's reporters. Interviews, and brainstorming (where new ideas were brought in) were also integral jobs of all "Smoke Signals" members.

This year's newsmagazine exhibitied special creativity through articles such as "The Wild West" (a type of soap opera with which students could relate) and Plane Speaking (Editor-in-chief Jim Plane's words of wisdom). The magazine also featured a full-color cover in December to accent the cover story on tatoos. Other cover stories featured controversial stories on acne, robots and detention among others.

Under the direction of adviser Bob Call, all the hard work payed off. At the Southwest Journalism Education Association's on-the-spot write offs the staff took first place sweepstakes. At the same competition, Leslie Lang took first place in news writing, and Karen Komsak placed third in sports writing. Seven other staff members received honorable mention in their categories.

Activities Provide Learning Experience

The dictionary defines Forensics as "belonging to or suitable for public discussion or debate," but this says nothing of the invaluable experience in communication gained by the club members. They spent long hours practicing the deliverence of their speeches, whose topics were as broad as suicide and cloning.

This year, under the direction of Robert Pickard, and the leadership of President Robyn Fischer, the Forensics club had more than three times the number of people than ever before. The members participated in tournaments and learned how important it is to be able to communicate in todays society.

All the hard work came together at the speech tournaments. The club participated in both the Novice and Varsity Fall and Spring tournaments, as well as the state qualifications. The novice speakers tied for first place at the first competition of the year, which was held at Miraleste.

The Drama Club was one of West's more creative and active clubs. Although all the members weren't considering acting as a career, they all enjoyed the theater. During the year they attended many productions, such as "Our Town" at the Long Beach Center Theater. The club also went on picnics and had parties. The Drama Club sponsored the Thespian Troupe, consisting of West's most advanced actors, and of course the annual Drama banquet was planned and coordinated by the ever busy club.

Students Explore Life In Foreign Lands

Have you ever wished that you could get away from everything that you are familiar with? Have you ever wanted to live in a foreign country, go to a foreign school and speak a different language? Members of the Foreign Exchange Club, under the direction of Joanne Fahey and Irene Harter, hoped to achieve this as participants in the exchange program. Members also learned about other cultures and societies, through attending the Greek Festival, Pao Choi, the Olvera Street Parade, and the Chinese New Year celebrations in China town. At a pot-luck dinner, they sampled foods from various cultures.

The club was especially honored by the presence of Nils Nilsson, an exchange student from Sweden.

Last summer, club president Cynthia Pearce lived in Turkey, and she was able to share many valuable experiences with the club members. This summer, graduating Senior Dwight Kiesewetter will also live with a foreign family as part of the exchange program.

Culture, customs, and Asian traditions were explored through the Asian Cultural Club. In its first year of existance, the club involved close to 35 members. Sponsored by Margie Harrell, club members presented several demonstrations, including Chinese calligraphy by Anthony Wang and Karate by Robert Kasamatsu. Christmas caroling, several parties, and a ski trip were also included in the group's activities. As a fund-raiser, they sold Oriental kites and sponsored a kite flying contest. The club was competently led by President Kathy Yee.

Groups Dedicate Their Best To West

It's true that in life, those who work the hardest seldom get credit for their efforts. Therefore, this year the 1978-79 Chieftain Staff acknowledges those organizations that worked to make this year at West outstanding.

Often, students who were not actually involved in a group only saw the final product and never realized the immense effort that went into each separate goal.

Members of the sound and lighting crew, the make-up crews for the plays, and the actual casts of each play put in many hours of work and were only rewarded through the satisfaction of creating an excellent production.

West High music groups also worked extra hard to produce the many concerts held throughout the year. From the Pops Concert to the Choir assembly hours of practice and rehearsal went into each actual performance.

Winning in competition was the main goal of the Small Precision Team and the Majorette Team, but developing those winning routines was often a cumbersome and tedious job. Fortunately, all of the hard work payed off when the majorettes took first place in the All Western Competition, and Small Precision earned a place in the finals in every competition they entered.

West's publications had another successful year due to the dedication of staff members. Members of the "Smoke Signals" staff put out an award-winning newsmagazine, and the "Arrowheads" staff worked hard coordinating and publishing an outstanding literary magazine. The Chieftain staff spent a great deal of time developing their musical skills which were successfully combined with original photography, copy, and layouts to structure this book and their smash hit "Harmonic Overtones."

The group of students who took on the extra challenge of enrolling in honors courses and those who constantly made the honor roll and received citizenship awards also deserve the recognition they seldom receive. Their achievements maintained West's high academic standing.

Several clubs worked extremely hard to prepare their fund-raisers, and activities, from the Math Club's donut sale, to the CSF/NHS co-sponsored "toga dance" to the Asian Cultural Club's trip to Chinatown for the New Year's celebration.

Most off all, these groups are especially recognized this year for their ability to dedicate themselves to a goal and achieve it. The necessary teamwork involved in making each organizaion reach its goals was a noteworthy achievement in itself.

Clubs Explore Their Surroundings

The need to explore, understand and experience was a major goal of several clubs at West. Through several activities, club members were able to gain insight into the world around them.

The Astronomy Club members were bonded by a common interest in exploring the outer regions of our universe. Under the direction of Robert Schultz and President Mike Skiles, the members discussed and observed the stars and related subjects at their meetings. Such things as UFO's and satellites proved to be stimulating subjects. On January 20, the group went to the desert as an overnight field trip, where they were able to observe the stars through clear skies. The Griffith Park Observatory, and the Jet Propulsion Laboratory in Pasadena were also visited by the students.

The Academia Club, sponsored by Geoffrey Waring, Terry McMurray and Kevin McManus explored the cultural side of life. The members of the club were kept busy attending many cultural productions throughout the Los Angeles area. Among the many shows they attended were; Annie, The King and I, and Romeo and Juliet. Not only did the club see these big productions, but they also attended many smaller theaters. The club sponsored a drawing for a dinner and tickets to a production, in order to help defray the high cost of play tickets. By watching the newspapers and other newsletters, members selected those productions that they were interested in. In all, the members of the Academia club were exposed to a part of our culture which many students never see.

Under the direction of Ronna Naramore, the Explorers Club concerned themselves with the great outdoors. They went on several small hiking outings throughout the year, and at presstime were planning their biggest trip of the year, the Utah Ski Conference. Almost all of the club members were planning to attend the conference, which was held from February 7 through February 13.

Clubs Explore Land, Sea

The Fishing Club was new to West High last year but despite its youth it was a very active and popular club, boasting close to thirty members. The club was under the direction of Spanish teacher Marc Gold and club president Scott Caraveo, and was sponsored by Mr. Howard Carr, a professional bass fisherman and expert angler. He taught club members and gave them tips on the best fishing techniques during weekly meetings, as well as arranging fishing trips and giving students fishing equipment. Trips included a Fishing Derby at Lake Castaic and other trips to Castaic and Pyrar ' Lakes. The club built up its treasu. , by paying weekly dues and holding a drawing for close to $250 worth of fishing equipment.

The Sailing Club was formed last year by Mr. Wall and a group of adventurous West High students who wanted to do their thing in the water. The twenty member club used Mr. Wall's six boats until he sold them and aquired a number of wind surfers. A typical Saturday outing began early in the morning as club members drove to Long Beach. Sailing and wind surfing was done in the bay while others could go across to the beach and hit the surf. Afterwards there was a barbecue and beach party for everyone. President Debbie Russell explained that no sailing was done during the winter because of the cold, but regular Thursday meetings were held to keep the club together and to plan for future trips as the warmer months rolled around.

The Social Studies Club, under the direction of Brenda McNamara and Bill Wooton, focused on exploring the different cultures and social lifestyles of Southern California. President Pam Hosack explained that most of the club's efforts were directed to raising enough money for an expense-paid trip at the end of the year. The club was formed as a social club for students and they held a number of social events, including a snow trip to Big Bear, a day at Magic Mountain, and several parties. Funds for the various outings were raised by the thirty members through candy sales and bake sales at the Dance Productions and school plays.

NHS, CSF Stress Academic Talents

Students with above average grades were honored with membership into the California Scholarship Federation (CSF). The club, sponsored by Bill Wright and led by President Karen Komsak was more active than ever before.

CSF held many school and community activities. At Christmastime, the club stockings, filled them with candy, and presented them to underpriviledged children. During the Hunger to Harvest Week, the group sponsored a canned food drive, and donated the cans to an orphanage in Mexico. At school, the club offered tutorial services to anyone who needed them.

Due to the fact that junk food sales were prohibited on campus, CSF initiated a unique type of fund-raiser. Valentines done in calligraphy were sold and delivered in February. With the money earned, the club rented a bus and attended CSF night at Disneyland on February 24.

Selected by a faculty committee, members of the National Honor Society (NHS) met the requirements of possessing outstanding character, scholarship, school service and leadership. Members wre initiated into the organization through a formal candlelight ceremony held on December fourth.

The group of 35 students sponsored the West High speakers bureau, where teachers, students and invited guests spoke to students on informitive topics, ranging from Russia to jogging.

Under the direction of Francine Gelbwachs and President Gitta Salomon, the group also raised money through a toga dance co-sponsored with CSF.

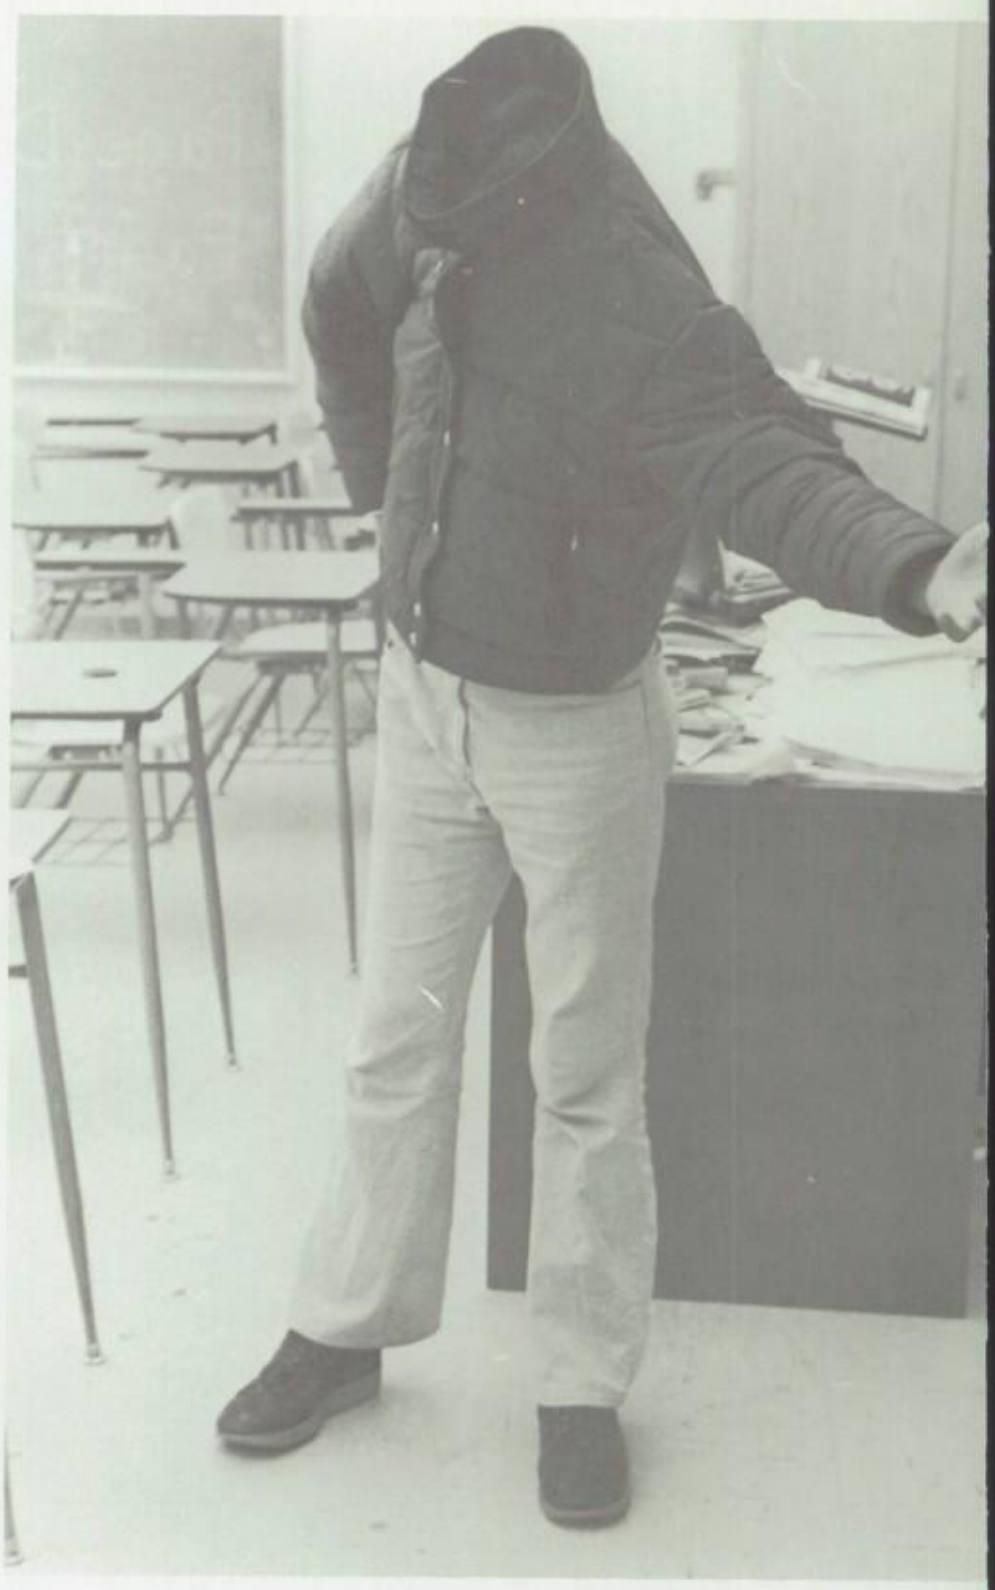
Clubs Satisfy Many Interests



Poetry, prose and other literary pieces written by students managed to keep the Arrowheads Editorial Staff busy throughout the year. The group, headed by creative writing teacher Morgan McSweeney, compiled and selected student contributions for the magazine. They also selected this year's theme, "success", as well as the color scheme for the magazine. The group was led by Editor-in-chief Ellen Puchrik.

For those students interested in the business world, West offered the Future Business Leaders of America Club (FBLA). The group, sponsored by Mrs. Dennis and led by president Nancy Mowery, entered several business contests during the year. The contests, which mainly were held during the second semester, involved local, state, and national levels of competition. Club members competed in categories such as shorthand, typing, office practice, and accounting.

Available to those students who have competed in sports and received an athletic letter is membership in the Athletics Club. Through the able leadership of the club's sponsor Margaret Fulton, and president Bill Conrad the group was able to fulfill their goal of recognizing and supporting the school's athletes and sports. The club held some fundraisers which included a Pancake Breakfast, and Sadie Hawkins. The club also participated in the jog -a-thon, which aided in widening the football field.

Warriors Struggle To 5-5 Season

Wild Card was the name of the game, as West kept up with the tradition of being in CIF every year since 1973. The Warriors could not clinch a play-off spot, but had to rely on being picked as a wild-card entry. Channel Island disposed of West, 27-14 in the first round leaving West with a season record of 5-5.

All season long West relied on the capable passing of Todd Hons, but the lack of a real running threat—especially break-away speed limited the offense. The opposition waited for the pass and this proved critical in the later games. Injuries and fumbles also plagued the team.

The West High football team was off to a fast start in the beginning of pre-season, winning the first three games against Long Beach Poly, Muir and Arcadia, regardless of injured key players. Matt Provost and Troy Hammon.

Opening the first league game of the season with a crushing blow against North, 41-7, West looked hopefully to the upcoming season, but in the next three games against Santa Monica, Rolling Hills, and Palos Verdes, West took a nose dive losing to all three. With their record of 1-3 West had to beat Centennial in order to keep their hopes alive for the Wild Card position. West got it with a devastating win over Centennial, 42-12.

The play-off game was closely fought all the way down to the last few minutes, but the breaks were with the other team when starting Quarterback Todd Hons was knocked cold running in for a 5 yard touchdown. Junior Fred Czarske took over completing 14-24 passes for 180 yards, exhibiting exceptional poise and skill.

The Sophomore team had a terrific season of 4-1 in league and a season record of 7-2. Ex-UCLA Bruin and West High Alumni Pat Schmidt coached the sophomores.

The Frosh, under first year coach Tim Scully, finished 5-3 for the year.

Tennis Returns With Great Form

Starting the season off to a tremendous start the Boys' Varsity team crushed Culver City. The second meet of the season was another win for Varsity against the tough Rolling Hills team.

With lead players Jim Brannies and Mark Tichenor exhibiting unbeatable form, the Varsity had strong first-rate attackers. This contributed to the success of the whole season. Other senior players Steve Richardson, Shane Smith, and Sam Rahman were major assets to the team's success. The coaching by Clarence Cox played a big part in the outcome of the season. Coach Cox said this year the team was strong and had it pulled together.

JV wasn't far behind with a record of 5-3. Next year should prove to be another successful year with returning JV players.

Defense Keeps Team Afloat

The boys' baseball team was very solid defensively. The infielders were outstanding with their gloves and the outfielders covered much ground with their speed. The teams hitting came in spurts; consequently the games were close and the pressure was always on the defense.

Although the final record cannot be predicted, Russ Campo, Mark Tomich, and Matt Provost were expected to make all-—league. "I really think this could be our year," said Coach Ron Parks at the beginning of the season, "We've come so close in the past-it's our turn now."

The JV and Frosh-Soph teams coached by Michael Palazzo and Paul deMetropolis were also expected to do extremely well.

Wrestlers Don't Know How To Lose

Losing, what's that? Ask any wrestler this year and they wouldn't know. For winning was the name of the game for the 1978-79 Varsity wrestlers. The team was the strongest in the history of West and remained undefeated throughout the year.

At the Lompoc Tournament, West wrestlers dominated the scene and placed first, with Ryan McDougle getting Most Valuable. Next, came the El Camino Tournament in which West again took first, and Senior, Dennis Cottle was awarded first place individual. In the first league match of the year against North, West really did "wampum"—38-16. Ron Bartleet led the team through the entire season and was defeated only once-that being in CIF Finals.

The JV team also did a fine job and went 10-1 in the season. Many outstanding players are on both teams wrestling should become increasingly popular in the years to come.

More Than An Endurance Race

There was a major change in boys cross country this year: the graduation from the Ocean League to the much tougher Bay League.

The course, consisting of 3 miles of difficult hilly terrain makes cross country an endurance race. Strength and stamina contributed to the success of the four individual teams.

The Varsity team was led by runners Bob Aube, Pat Pedersen, Steve Mizera, Paul Krumpe, and Chris Smith. After close and disappointing losses against Palos Verdes and Mira Costa they started coming on strong making their presstime record 3-3.

Coach Bob Wilson expects the team to improve even more in the season, saying, "I really see an improvement since the beginning of the season in all of our runners."

The JV team is looking ahead to a brighter future and along with the upcoming Freshman and Sophomore teams next season should prove to be a fine one.

West's Third CIF Championship Dreams Destroyed

The opening of the West High boys' soccer season was a first place title in the South High tournament, in which Frank Campis was voted most valuable player. The Varsity team remained number one throughout entire league play. However, following the fairly easy capture of the Bay League title, things began to get a bit tougher for the Warriors. The first two games of CIF were hard battles, but West's offense proved it's ability both teams were defeated. In the quarter-final game against Arcadia, it took much sweat and four overtimes for the Warrior defeat. Then came the semi-finals in which West once again had to meet their top rival, South. West's three previous victories against South had no bearing and South won, 1-0. The tragic loss left the Warriors with an overall record of 23-2-2.

The Varsity team was full of talent as shown in the selection of All-League players. On the first team (from West) were Seniors, Frank Campis, Vance Sallée, Dave Sarkisian, Tom Fredriksen, and Dave Shearer. Senior Paul Jones was named most valuable player All-League. Named to second team were Seniors, Chris Matthew, Brian Dewhirst, and juniors, Gary Smith and Mark Mittleman.

West Struggles Hard But Doesn't Make It

Although the 1978-1979 Warrior Varsity Basketball team was an aggressive group of players who gave their all, the press time record does not show their success, with only two wins and eleven losses.

The first win of the season was against Hawthorne 80-55. After a series of losses, the win against Redondo was a big moral booster. It was a toughly fought game but West proved victorious at the end with the final score 85-66.

Senior Mike Peterson and Junior John Neu led the team in scoring and rebounding. Senior Matt Gonzales' ball handling was a big asset to the team. John Neu made All-Tournament at the Torrance Christmas Classic, scoring a league record of 43 points in one game.

With two juniors (John Neu and Mike Richardson) and two sophomores (Craig Evenson and Mike Fearon) returning to the Varsity, and fine young talent on the JV and sophomore teams, the Warrior coaches are looking towards the future.

Volleyball Is Filled With Enthusiasm

Volleyball is a fast—spreading sport today especially in the beach cities. West Torrance is no exception. This years' Varsity team was extremely enthusiastic and looked at the sport as an art. Deadlines prevented the recording of the actual season record, however the boys looked very good in pre-season practice. Varsity Coach Ken Wyatt thinks this year should be an improvement, saying, "Our players are younger, but they have experience. We should do well."

Warrior Unity Claims Success

Although at presstime the Warrior track team had competed in (and won) only two meets, the remaining season looked very promising and successful. Previous to the season, the Varsity girls took a sweepstakes trophy at Eddie West Relays, while the Varsity boys did extremely well at Brea Relays winning second place.

Each track squad is very strong this year, not only due to returning Seniors, but credit also goes to many strong freshman and sophomores. Exhibiting strength and stamina, the Varsity girls team, led by Seniors, Ilima Wasson, Valerie Ross, Tracy Ward, Karen Kasten, and Jennifer Jameson, Junior, Monica Mazet, Sophomores, Sue Perry and Jenny Parks, and Freshman Paula Atkisson, were undefeated at presstime and on their way to a great future.

The Boys Varsity team looks exceptionally strong this year after beating one of their top competitors, Santa Monica. Leading the team are Seniors, Dave Sawdey, John Pennington, Pat Pedersen, Chris Smith, and Juniors Bob Aube and Roy Hughes.

As always in Warrior track history, team unity is the key to their success. All the members work very hard together, striving for perfection. The Warrior track team is always increasing in popularity and skills and holds a strong future.

Basketball Is Inexperienced But Determined

Dribbling into the fairly new sport of Girls' Basketball, determination and enthusiasm was displayed on the court.

The team was defeated in the first Varsity league match against Centennial, 33—43, even though they played a tough game all through the four quarters.

With only one returning Senior, Debbie Winchell, and the rest lower classmen, the team was young and inexperienced. Returning Juniors, Becky Janisch and Sue Kearney proved to be assets to the team, also. Although, there were some disadvantages, with determined coaches training the girls, the upcoming teams should see improved teamwork.

JV was off to a successful start, with a win against Centennial in their first league game. Strong and aggressive teamwork was the key to making their presstime record 4-2.

Coach Adams summed up the year by saying, "the forthcoming years should become brighter with the return of veteran players giving West an Edge."

Tennis Doesn't Do As Well As Expected

Unfortunately, the girls' Varsity tennis team didn't meet the hopeful expectations for the 1978 season left on them last year. With the return of only three old members, the team consisted mostly of young inexperienced players. As if this weren't enough, they also faced the arrival of a new coach—Steve Ebey.

Although Coach Ebey worked hard with the girls at conditioning themselves, they just weren't strong enough to beat any of their competitors. Coach Ebey held an optomistic opinion saying, "Sometimes things go right, and sometimes they don't. This year we just didn't seem to click."

The JV team did a bit better than the Varsity, winning three of the matches. Coach Ebey is looking forward to next year when he will have a more experienced team.

Softball's Hopes Are High

The girls' softball team cracked open their season victoriously. After a disappointing season last year, this years' team was expected to do much. However, deadlines prevent the final outcome of this years' season. The team was led by players, Melissa Fernald, Nettie Schumaker, and Tracy Woodman, who hit the "larger-and-softer-than-baseball-ball" consistently.

"There is a lot of team spirit and unity this year which I think should help us much," said Coach Herb Richey.

Clockwise from below—**Mendy Porterfield** awaits both ball and opponent during game against Inglewood High. **Coach Richey** gives the girls some good advise after an unsuccessful play. **Melissa Fernald** is enveloped by two Inglewood High players after stealing second base. **Debbie Russell's** powerful swing sends a grounder to left field. The team's star pitcher, **Tracy Woodman,** shows off her style. This time, **Melissa Fernald** steals third.

Rebuilding Period Pays Off With Success

It has been a long four years but Coach Dave Westberg says, "It's worth it." The girls' volleyball team's success is mainly due to the fact that Westberg handpicked each player and then trained them for several years. The outcome of this preparation was an abundance of victories.

Leading the team through the rampage were 3A Most Valuable Player, Paula Weishoff, 1st team all-league players, Kathryn Center and Debbie Troxel, and 2nd team all-league player, Mendy Porterfield. The Varsity team ended their season with a spectacular record of 17-2, which earned them a place in CIF finals. The girls were tough all the way through the finals, until finally in the semi-final round they were closely defeated. The girls' volleyball team has earned a great reputation and will move up into the Bay League starting next year.

The JV team, led by Coach Howard Szilagis, compiled a fine year with a record of 9-3.

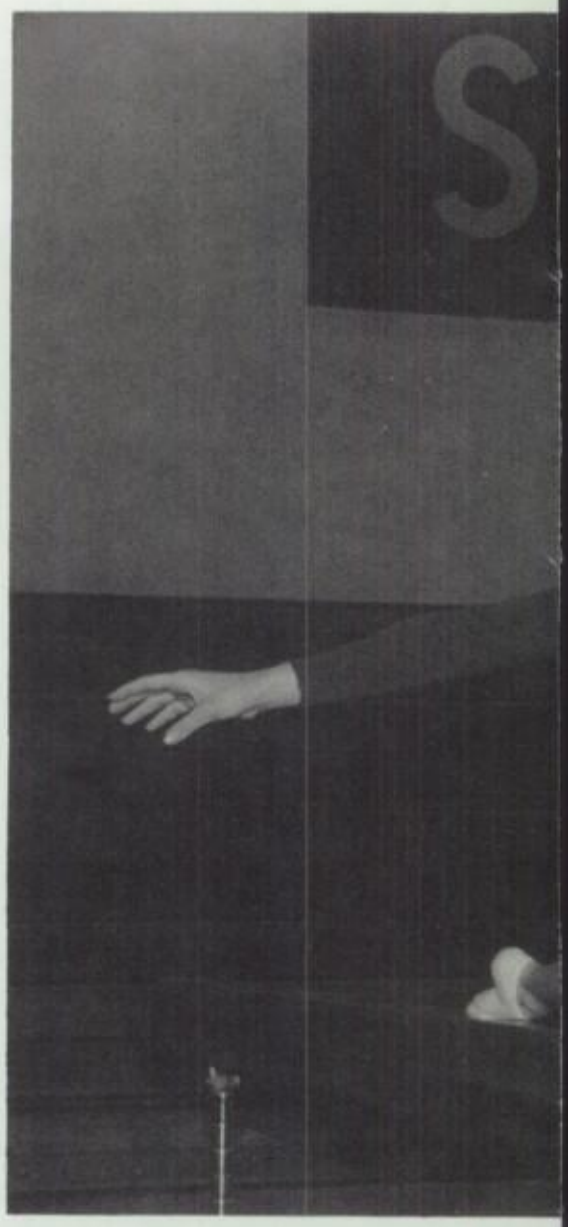
Girls' Gymnastics Springs Into Action

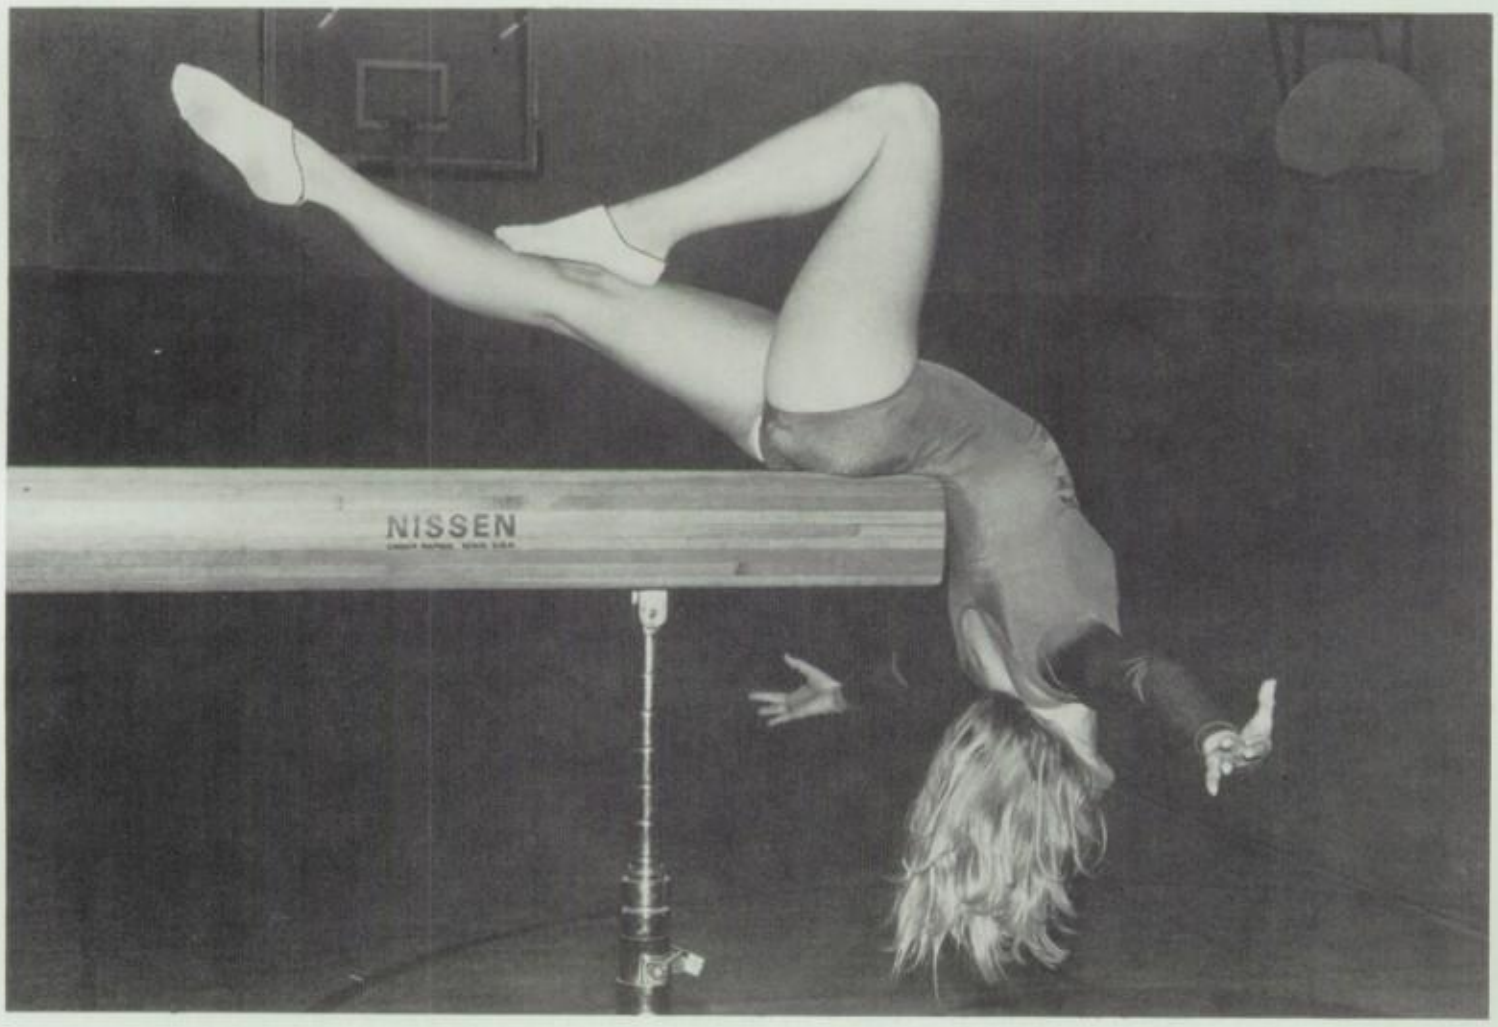
The girls gymnastic team clinched second place in the first meet of the year in what looked like a very promising year.

Team captain Karen Aregger was an asset in the uneven bars, along with Sandy Smith and Catherine Aaron on the balance beam, Margie Konrad on the vault and the rest of the gymnast who execute their aerials, back walkovers and spectacular feats to what looked like perfection.

With the help of their coach, Tricia Sandidge, all of the girls performed with skill and accuracy in hopes of making this year an outstanding one after rather disappointing seasons in the past.

Talking to one of the gymnast, Sandy Smith, about this years season she was quoted as saying, "We are concentrating on improving poise and difficulty on the balance beam to bring up the all around scores."





CLOCKWISE FROM ABOVE—Junior, **Sandy Smith,** displays elegance, balance, and flexibility all in one on the beam. **Shiela Arreger** shows her poise on the beam. Cross Country Keeps Up With Tradition

Since its birth at West four years ago, girls cross country has been a popular and very successful sport. In keeping with the tradition, the girls started off the 1978 season with a bang.

In the first meet of the season Varsity defeated Palos Verdes, 25 to 30. Their next challenge was the Mira Costa team which they crushed 16 to 40. These wins were an overture to the upcoming season.

Led by seniors Valerie Ross, Margie Konrad, Kathy Bailey, and Ilima Wasson the Varsity team was undefeated as presstime, which insured them a place in CIF competition.

Determination and training by these girls along with consistantly good coaching formed the core of their outstanding year.

Although the JV team started a bit slow, Coach Marge Fulton said that because of their being closely knit, they would improve much during the season.

Coach Fulton seemed to sum up the year by saying, "This will be an extremely impressive year for girls cross country."

Girls' Soccer Fights Hard With New Competition

Although girls' soccer has been a popular sport at West for a few years, it is fairly new to many other schools in the area. This year the strong Varsity team met much tougher opponents then in the past. This was probably the biggest factor in the result of the season as it looked at presstime. The girls had only won one game, but were not that discouraged.

The Varsity team was fairly young, but they worked hard preparing for the season hoping for a pay-off. The team was led by Seniors, Ilima Wasson and Melissa Fenald, and Juniors, Jenny O'Mara, and Lori Davisson.

Coach Wilma Dasche noted on the harmony and unity in her team saying, "These girls are really great. They work together well, both mentally and physically."

The JV team also was hopeful for a successful season and had won two games at presstime.

Senior Spell Relief G-R-A-D-U-A-T-I-O-N

Who ever said that senior year would be all "kick back?" Well, they certainly were wrong. The graduating class of 1979 was faced with many problems, and they didn't all deal with homework.

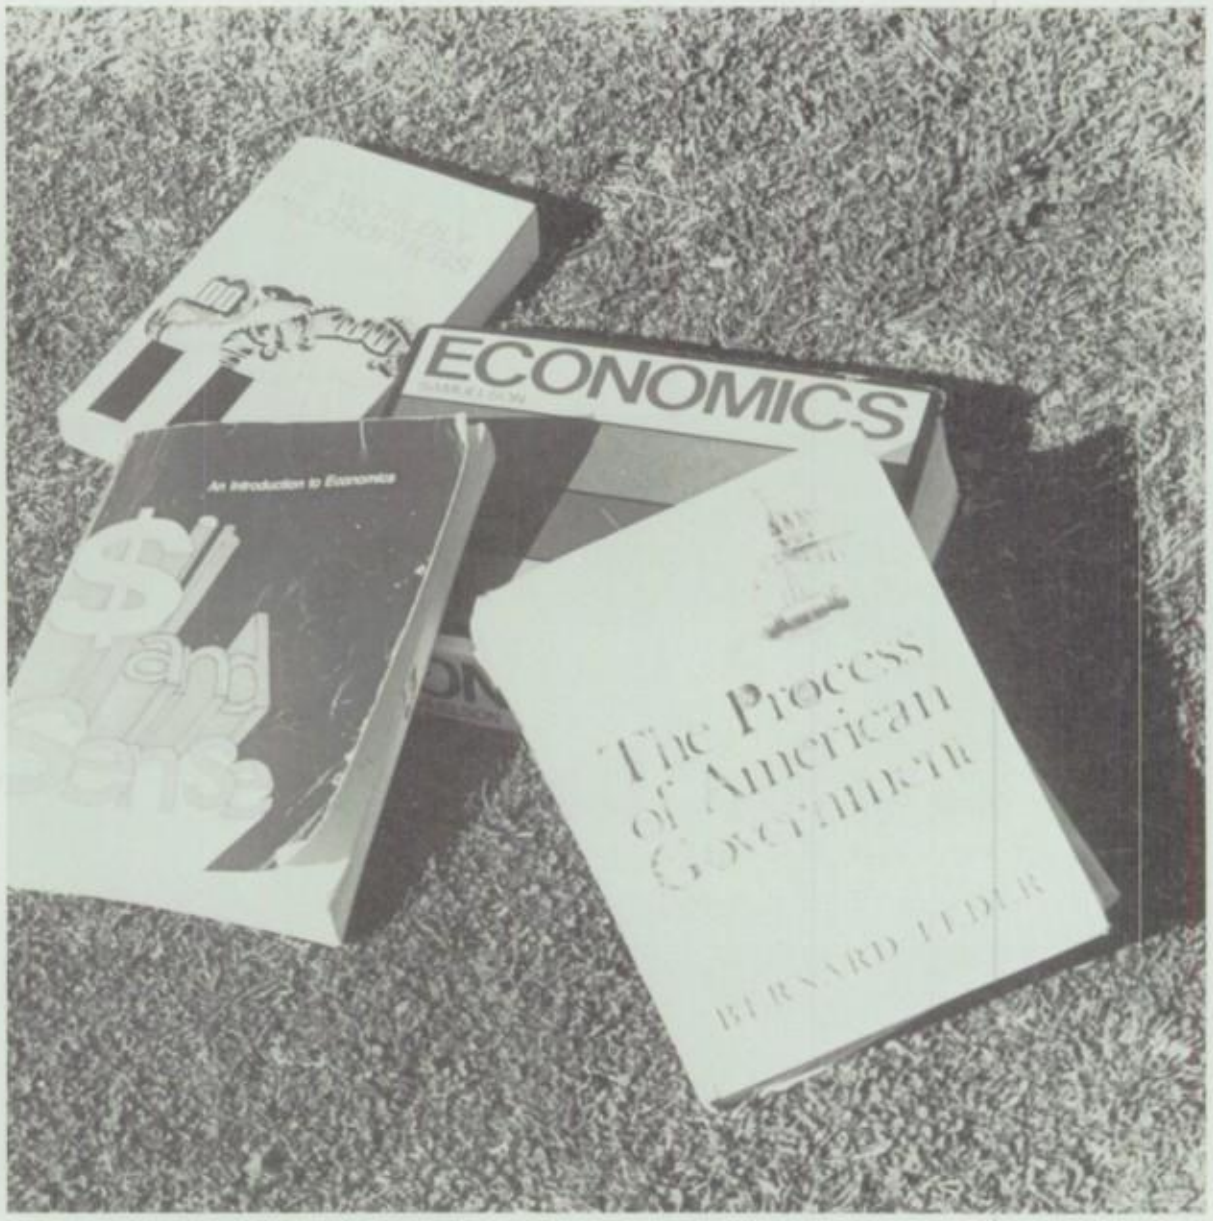
Post-graduation decisions had to be made, and seniors were forced to decide whether it was going to be college or work.

College-bound seniors were confronted with S.A.T. tests, Achievement exams, and a multitude of applications. Interviews at colleges were not uncommon, and seniors often found themselves giving up valuable weekends. However, the trials proved beneficial, and seniors learned both, how to cope with pressure, and the post offices' hours.

Priveleges for seniors were not in excess, but they were able to hassle underclassmen, and schedule for classes first. They were also priveleged with taking end-of-the-year finals early, in order to practice for graduation.

Senior year had its special moments. There were the Friday night football games, Homecoming, plays, Sadie Hawkins, the Prom and senior ditch day. They were times that will not easily be forgotten.

And then . . . all of a sudden it was over. On June 13, 1979 the senior class said goodbye to West High, and went on to bigger and better things . . . like Grad night at Disneyland, later that evening.



CLOCKWISE TOP LEFT-Applications and more applications ... Top Right-The familiar sight of Government books. Above-Student looking over the announcement display. Below Left"... and shoes to match." Below Far Left-**Mrs. Falcon** and **Rey Rojo** discussing his future plans.

The Year That Was

Entertainment, as always, played a major role in the lives of West High students. Homework was often abondened in order to attend that long awaited concert or watch that favorite television show.

It was the year that "disco" made it big, and the Saturday Night Fever soundtrack soared to the top of the charts, taking the Grammy Award for Best Album of the Year. On the oter side of the music spectrum, new groups such as the Cars Cheap Trick, and Elvis Costello attracted many fans. Well established groups, including Queen, Boston and Styx played sold out concerts as the Forum

It was a "wild and crazy" year, and comedian Steve Martin stole the laughs of many, along with a Grammy for best Comedy Album of the Year.

Television ratings soared when the hysterical comedy "Mork and Mindy" hit the air waves. "Battlestar Gallactica", a Star Wars spinoff, attracted many because of the "gorgeous" actors, known to most as "Star Buck" and "Apollo". Full length movies such as "Gone With the Wind", "American Graffiti", and "Rocky" brought network ratings to the top, as millions sat glued to their television screens.

The silver screen had its moments this year with box office hits such as "Grease", "Saturday Night Fever", and "Superman". West High students were most affected by the outrageous movie "Animal House", and togo parties became the fad.

This year was like no other year...

CLOCKWISE FROM TOP RIGHT—Comedian Steve Martin wears his Easter suit in a promo for his new album. Famous faces of Mork and Mindy hit magazine covers, as well as television screens. Queen knew they were the champions when the sold out at the Forum. Is it a bird? Is it a plane? No it's the smash movie "Superman" at South Bay Cinema.

Into my heart an air that kills
From you far country blows:

Memories; a mirror's image of times gone by.
Times of sadness, and mostly times of happiness.
Your first tears, an old friend.
Memories of love.
A first kiss, a goodbye glance.
A moonlit night, your lover's arms
waiting to hold you.
To bring joy and chase the tears away.
Memories, of growing up.
Of waiting for life
to bring you all the joy it can.
And of waiting also for the sorrow,
which you know shall pass.
Hard times and good.
These are memories of life.
Tucked away, until you reach for them.
Searching,
wanting once again
to bring them into your grasp.
To bask once again in their warmth.

JULI BERNSTEIN - 1 year of Tall Flags, 1 year as a Co-Captain of Tall Flags, Drama Club, and Forensics Club. "You should always set high goals for yourself because the road to success is always under construction."

RENEE E. BLANCAFLOR -The most important decision anybody can make is choosing between life and death. This song contains the answer to life in the fullest. It's called **Got to Decide** by Joy Cull:
So many roads to follow
He said "There's one."
So many makebelievers
He said "I've come."

You can close your heart an' say
I just don't want to hear
But turnin' off the Word of God
Won't make it disappear

You've got to decide
If it's real or He's lyin'
Times gettin' on
Soon we'll be flyin'
Away, Away

Oh the river is high
The water is flowin'
Along for the ride
Which way are you goin'
Today, Today?

You know there ain't no
Halfway hearted compromise
You're givin' all to
Either one or the other side
You've got to decide
So many roads to follow
He said "There's one."

RHONDA BOEGLER - I see no point in listing any of my accomplishments or activities for in twenty years no one will care what a student named Rhonda Boegler did during her attendance at West High School. I, therefore, leave you with something to think about: "Man is effective in the world not only through what he does, but above all through what he is."

Rudolf Steiner

SHARON BROWNE -
My life is like a stroll upon the beach
As near the ocean's edge as I can go,
My tardy steps its waves sometimes o'er-reach
Sometimes I stay to let them overflow.
Henry David Thoreau (18-17-1862)
The Fisher's Boy

DIANE BURKETT - 1 year Concert Band, 1 year Advanced Band, 2 years Wind Ensemble, 1 year Orchestra, Bicentennial Band 1976, Rose Parade 1979, Tall Flags, 3 years Track, 2 years fifth place Bay League high jump (JV), Sailing Club.

I have made many friends and have had many enjoyable experiences here at West. These 4 years will not be forgotten easily. They have been great years.

KATHRYN CAMPBELL - 1 year of Beginning Glee, 1 year Advanced Glee, 2 years of Concert Choir, and an assistant editor for "Arrowheads."

Many seniors can't wait to leave high school, but I guess I'm an exception. I'd like to stay a little longer. My four years here, for the most part, have been pretty great. Times goes by so fast and all of a sudden your a senior and ordering your cap and gown. I like high school, but I guess it is time to take another giant step and that's the step into the world. It won't be easy, but I have memories to recollect so it will make it easier. And as E.A. Poe said, "All that we see or seem is but a dream within a dream."

PROFESSOR THOMAS B. CARACASH - Marching band 3 yrs. Adv. Con. 2 yrs. 1st Chair Alto Saxophone in Symphonic Wind Ens. 1 yr. Rams Half Time Show Bicentennial Tour of the East Coast Drama 2 yrs. Speech 1 yr. Forensics 1 yr. Drama Club 2 yrs. Also ICC Rep., Vice President, and President for Forensics Club in senior Year. Principals Citizenship Honor Roll National Honor Society.

During my four years at West, I have accomplished many things, and I have also acquired a great deal of knowledge. One of the most important things I've learned while being here is to love life and to live it to it's fullest potential. Knowledge is good, but only if you use it to help your fellow man. That is something that I shall always remember; with God Almighty helping me. Maybe The Great Chairman Mao Tsetung can best sum up my feelings when he said, "We can learn what we did not know. We are not only good at destroying the old world, we are also good at building the new." Take care, lend a helping hand, and enjoy.

WENDY CORRICK - Beginning Glee, Advanced Glee, Choir, Aristocracy, Student Choir Director; "Bye, Bye Birdie, Modern Dance Production, C.S.F., C.S.F. Club Officer; Smoke Signals Talent Show, Secretary of Fine Arts.

I'd like to thank my fantastic teachers (**DEAR** Mr. Fenn, Mr. Duckworth, Mr. Waring, Mrs. Fahey, Mr. Brouillette, Mr. Schultz, Mr. Pickard, etc., etc.) for challenging me to do more than I thought I could, and for providing the very necessary love and support I needed to succeed. It's because of you that I'm where I'm at. To my dear friends, thanks for always being near-for being so caring and appreciative. I hope I've been able to give you the same loving support, because you know I love you.

'In all things we learn only from those we love'

Goethe

KRISTINE CRAMER - C.S.F. member F.B.L.A., Citizenship Awards, four years in Band including Bicenntennial Tour, Rose Parade '79', Rams Halftime Show, Tall Flags for one year. My high school years have been best described in the poem below by Grace Mauberret:

Yesterday's roses
Pressed smooth between pages
Of the past.
A prom bid,
A commencement announcement,
A report card.
Yesterday's faces
cheering bright at a rally.
Quick smiles flashing,
Suddenly retrospective,
A vulnerable smile-that touches,
Tremulous now,
Not a book,
A heart.

CHRIS CREEK - Freshman Class President, Sroirraws, Freshman Sweetheart, Beginning Glee, Advanced Glee, and Choir, House of Representatives, C.S.F., Baseball and Varsity Football stat, Girl's soccer, basketball and Powderpuff Football.

Well, after 12 years of homework, tardy bells and impatient teachers with "meter sticks", I still want to go to college and do something. Medical maybe, an Anesthesiologist, but first I've got to take an extra English class just to spell and pronounce the word!

DENISE CRISA - While I have been at West High I was involved in Beginning Glee, Advanced Glee, Choir, and Aristocracy. An experience I loved and will never forget. To me, high school is a growing experience. But now it's time to let go, and go on to new growing experiences. Thanks to everybody at West for helping me grow so much.

ANTHONY DeSANTIS - Freshman, Sophomore, 2 years Varsity Football, Sophomore year Wrestling.

ELLEN DEEMER - 4 year Letterman in Band, J.V. Majorette 1 year, Varsity Majorette 2 years and Captain of the Majorette teams in '78-'79. Member of Band Council 1 year, Captain of the 1st place All Western Band Review Majorette team, Marching Band 4 years, Concert Band 1½ years, Advanced Band 1 year, Wind Ensemble 2 years, excellent ratings at Solo and Ensemble festival, 1976 Bicentennial tour of the East Coast with Band, 1977 Christmas Lane Parade, 1979 Rose Parade, Ram's Halftime Parade.

Being Majorette Captain has showed me how life is, and all the problems that are involved in life. It has taught me how to be a responsible person and not to let other people think for me. If anything, my team has taught me to be myself. Thank-you, Deena, Jane, and Cyndi for what you taught me.

WENDY DETTMERS - 1 year Concert Band, 1 year Advanced Concert Band, 2 years Wind Ensemble, 4 years Marching Band, Ram's Halftime Show 1975, Bicentennial our 1976, RAT's Beach party 1978, Rose Parade 1979, 2 years Sailing Club, F.B.L.A., Citizenship Awards.
I salute you West High,
For you are my friend
And my love for you runs deep.
There isn't much of myself
Which I haven't given to you,
But there is much,
While I can't give it,
You may take.

RAY DOBSON - "My sister Eileen", "The diary of Anne Frank", "Guys and Dolls", "Once upon a Playground", "Sneaky Fitch", "The Brick and the Rose", "The Private Ear", "The Lottery", "Who's on First", "Wonderful Wind Radio", four Talent Shows and two Choral Concerts.

I would like to thank Mr. Scarlata, a respected teacher and a good friend, for breaking me out of my shell and giving me something to brag about. I spent four beautiful years in Acting and loved every minute of it. I'd like to thank Mr. Fenn for having enough confidence in me to put me into Choir without trying out and also for putting up with me for there will never be a cast that I felt to close to.

However, despite all of the good things I did at West, there is one last thing I want to say:

"I have got the 'high school blues',
I can't wait till I get out of here . . ."

And, now on to college, where I will (try to) further my education, although I will undoubtedly end up replacing Chuck Barris on "The Gong Show"

P.S. "All of your achievements pace miserably when compared to what you could have done . . ."

PAUL EVES - "Gigolo George", "Guys and Dolls", spotlight 1978 Talent Show, Light and Sound Technician 2 years.

Upon finishing my fours at West I feel like a fly right after hitting a windshield of a speeding car: I don't know if I have the guts to do it again. Life calls; however, and I must answer it with knowledge, imagination, and experience to make my days as rewarding as those during my senior year at West. I have but one ambition in life, one small goal I wish to achieve, that is to make my first million by thirty-five, or by forty on the outside.

ALISON FISH -
God grant me the serenity to except the
things I cannot change.
The courage to change the things
I can,
And wisdom to know the difference.

MICHELLE GARCIA - Track, C.S.F., Student Exchange Club, Asian Cultural Club, Academic Club, Interact Club.

DARRYN GATTO - Tall Flags 2 years, Annual Staff 3 years, held positions of Staff member, Class Editor, and Manager Editor.

For all my friends, teachers, and acquaintances and my loved one A.B.D. I write.....

Being Me

I am better at Being me
than I am at being you
I've learned more by seeing me
than I have by seeing you
I've known me a whole lot longer
than ever I have known you
and I feel me a whole lot stronger
than ever I could feel you.

I can't know you till I know me
and I don't know me just now
and I can't show you how to be
what you should be . . . or how

And if I try to be like you
I'll be no one real at all
and its a lie to stand by you
and pretend that I'm as tall

So I'll take myself and do what I can
to be what I can be

I'll do as well to be the women
that I was meant to be
So please don't ask me to be like you
I'm happy just being me

And I won't ask you to change your ways
and try to be like me

J.B.J.S.

LAURA GIBBONS - Beginning and Advanced Glee, Concert Choir and Aristocracy and the Southern California Honor Choir. Beginning And Advanced Acting. "Once Upon a Playground", "Forda Moore", "The Death and Life of Sneaky Fitch", played Mrs. Blackwood. Forensics Club and won a Superior and Excellent Certificate at the Varsity Speech Tournaments.

And . . . to all the teachers who allowed me to grow and learn throughout the years. I will always remember you. I love you all. And . . .

RICHARD GIBBS - 4 years in West High School Marching Band, 3 years of Wind Ensemble, 2 years J.V. Cross Country. Made new friends and goals.

TINA GLORIOSO - Beginning and Advanced Glee 2 years, Freshman, Sophomore, and J.V. Baseball stat 2 years, Freshman, Sophomore Volleyball team 1 year, Drill team 3 years, Small Precision 3 years. Co-Captain 1 year, Class Representative Freshman and Senior year, Secretary of House Senior year, F.B.L.A. Club 2 years, Intermediate Dance 1 semester, active in my Junior class (meetings), active in my Senior class (meetings).

"If I had a chance to do it all again. . . .I would."

DAN GONZALES - I was proud to sing in Boys Chorus, Choir and 2 years of Aristocracy. The part of Randolf in "Bye Bye Birdie", Benny Southstreet in "Guys and Dolls", a Little Boy in "Once Upon a Playground", The Maitre D in "Shubert's Last Serenade", and Sneaky in ". . . . Sneaky Fitch" proved to be an important part of my life. I served as an Editor on Arrowheads Staff for 2 years and loved every minute of my 2 years on Chieftain Staff. Thanks to Dave Hirshmann my already dying Wrestling career was finished off.

I plan to face the world with my faithful Minolta in hand and photograph the earth in no way done before.

I will never forget a single friend or even the smile of a passerby. I have had a grand time. "When I give my heart, it will be forever." "I'll end it now. I'll have to say goodbye to you."

GREG HAUSSMANN - I would have been in the Band during my last year at West, but my schedule got really screwed up. If I was in the Band I would have gone with them on a trip to Switzerland this summer! Last year I could have been in the National Honor Society, but I forgot to turn in my application. I almost joined the Asian Cultural Club, but I didn't have any Asian culture. I think that I won some type of award, but I'm not sure what it was for. In January 1978, I turned in all my textbooks on time, and the librarian said "Thank you." If I have learned anything during my years at West, it is my personal philosophy about life. Never dwell on the failures of the past. The opportunities of life lie in the future.

"Not only is there no God, but try getting a plumber on weekends."

Woody Allen

MIKE HERRING - In my four years at West I've experienced a lot. Somehow I could never bring myself to participate in the rah-rah scene at school. Perhaps the most important thing I've learned here at West is how to handle the years ahead and the great challenge I will face.

I feel that every man has within him the ability to do great things.
His touchstone is challenge. No matter what his field of endeavor.
A man must measure himself against the demands of his world.

To rise to the challenge . . . ultimately this is why men climb mountains, take pictures, build bridges and so a thousand other things that manifest personal achievement and satisfaction.

All I can say is I hope that too will be able to rise to my challenge to obtain my personal achievement and satisfaction.

LANCE ICHIKAWA - This concludes my four year at West. There were four good years, years which I'll always remember. Older folks always reflect on the past and say, "Those were the good old days . . .", now I can relate to that saying. When I reflect on the past, the good times shared with good friends comes to mind. These immortal memories come back not just because of the good times, but rather because of the unforgettable friends I have. These few words do an injustice to them. They all deserve a book apiece and one special friend deserves two volume (yeah **you** Susan).

Thank you all for dismissing my weirdest of days and letting this dumb cluck hang around you and at least all of you can tell your kids you know a Golden Eagle in high school, (this is a sentence all of you are going to be laughing at in ten to twenty years from now when you dig this mildewing book out of the closet and one which I'll have to be explaining). We all had some great times together, football games, Homecoming, Christmas Vacation, Rose Parade, well you remember.

Now we stand facing the future. Each of us has a different road to follow and different goals to pursue. But we'll always remember the past and keep our friendship alive. Thanks for always being there and lifting me up when I was down, making me laugh even when I found it hard to laugh, and encouraging me when there was a wall of opposition.

I'm in debt to you West for giving me the opportunity to meet these people, thanks West, thanks.

PAUL JONES - 4 years Soccer, 3 years Football, 1 year Choir, 1 year Aristocracy, 4 semesters C.S.F., AND THE LAST OF THE BRUCIE CULT.

KELLE KIMBRELL - 2 years Modern Dance, 3 years Acting, 2 plays "Once Upon a Playground", "The Death and Life of Sneaky Fitch", 1 year Song Queen.

My dream is to do everything I have ever wanted to and accomplished it with satisfaction. I have done everything I have ever wanted to do at West because West High gave me the opportunity and I think everyone can reach any goal they want. Just as West High has given us opportunities, so has the world. Now let's get out there and reach our goals. You can do anything!

Life is a gift
with birds in the trees
Huge rocky mountains
and deep blue seas
We are planted with children
and animals of the wild
also hazardous winds
And those that are mild.
Think of who gave us these gifts,
and now we shall pray,
to thank the Good Lord,
for a beautiful day.

Kelle Kimbrell

NANCY LYNN KMIECIAK - Track for 3 years.

I want to say thank-you to all of my teachers (even though I hardly went).

I learned a lot at West and I met a lot of people, most of them became very good friends.

I lived my 4 years at West to their fullest and I will always remember all of the good times I had here, even the parties that I and Tina Miekosz went to. I remember them all just like it was yesterday and, **I hope I will never do it again!**

My only goal in life is to live my life to its fullest.

A special **good-bye!** to Mrs. Walkins for putting up with Tina and I, to Margaret my favorite nark!, to all of my very good friends, who I will always remember!

AND TO MY TONY (Berton)
I LOVE YOU ALWAYS!

KAREN KOMSAK - I have participated in anything and everything that was considered to be kind of wild and kind of crazy, and even a few things that I found to be crazy.

To future seniors and West students in general;

"If ye have faith as a grain of mustard seed, nothing shall be impossible unto thee." Matthew 17:20

The best of West is there for the taking!

MARGIE KONRAD - Being with friends, eating pizza, going to dances, passing the tests, not having a 5th period, and G.G.L. - it's moments like this that make life just a little more enjoyable.

SANJIV KRIPALANI -

Love has no other desire but to fulfil itself.
But if you love and must needs have desires,
let these be your desires:
To melt and be like a running brook that sings its melody to the night.
To know the pain of too much tenderness.
To be wounded by your own understanding of love;
And to bleed willingly and joyfully.
To wake it down with a winged heart and give thanks for another day of loving!
To rest at the noon hour and mediate love's ecstacy;
To return home at eventide with gratitude;
An then to sleep with a prayer for the beloved in your heart and a song of praise upon your lips.

This, my love, my Roxana . . .
is for you.

SUSAN KUDO - Annual Staff, Asian Cultural Club, Chess Club, C.S.F., Forensics Club, I.C.C. Rep., N.H.S.

"Love has no fear in it; instead, perfect love expels fear."
"We love because He first loved us."

I John 4:18-19

"Whatever is true,
whatever is honorable,
whatever is just,
whatever is pure,
whatever is lovely,
whatever is kindly spoken,
whatever is lofty and
whatever is praiseworthy,
put your mind on these."

Philippians 4:8

I would like to thank all my teachers for the knowledge they have taught me during my four years at West. I would like to thank my friends for their prayers, support, kindness, and love. I love you all. (That's including you too, Lance). I would also like to thank Lance and Gitta for their never ceasing help in my section. I really appreciate it. And thank you Julie for your patience.

JANICE LABONTE - For Paul Joseph, I wish you could have lived to experience it all. I will always cherish the beautiful memories and take and live the bad all over again. For Billy, Stephanie, Christopher, Jennifer, and Christina - all the luck and love, I hope you enjoy these times as much as I have . . . "I'm as free as a bird now", . . . Member of W.W. of W. Oh, "Hi" Jeff!

CHRIS LILES - In my four year term at West, I have passed Algebra, grew with 3 years in choir and sang in public. I experienced the honor program, marched in one of the Top 10 bands in Southern California, and kept a healthy amount of insanity with me throughout my career.

Hopefully, the future will find me bicycling around Europe for a year, avoiding the draft, and ending up somewhere in the field of commercial art.

"Hanging on in quiet desperation is the English way. My time is up. The song is over; Thought I'd something more to say."

Pink Floyd

CRAIG LOWERY - Two and a half years in a big musical family, Ram's Halftime Show, Bicentennial Tour back east in '76. Well my time is up, and I'm getting out. I've really enjoyed my four years at West, and I trust you have or will also. I realize that as I leave West, I've made many good friends. Most of you I'll still see, and our friendships will strengthen; but to those of you I'll never see again, I'd like to say this. Thank-you for all you've done and given me, and I'll never forget you. Good luck to all!

TONY MANOS - A.S.B. President, Junior Class President and V.P., House of Reps - 2 years, Student Representative to Torrance Board of Education, Principal's Honor Roll, Citizenship Award, C.S.F., Tri-Advisory, Sophomore Football and Track Team, Harry the Horse in Spring Musical-"Guys and Dolls", Head Coach of 'Tony's Tigers' powder puff football team, Top 5-Homecoming Court.

'Make what you do today important. For you give a day or your life to it. Thanks West High for many important days.'

SHARON MARGOLIS - 1 year song Queen, Beginning Acting, Play Production 3, 4, "Miracle Worker", "Brick and the Rose", "Vanities", Modern Dance 1, 2, and 3, Beginning and Advanced Glee, President of Snake of the Year Club.

Well I am leaving my family, I am leaving all my friends. My bodys at home, but my heart's in the wind.
And the clouds are like headlines upon a new front-page sky.
My tears are saltwater, the moons full and high.
And I know Joe Conrad will be proud of me.
Many before me been called by the seas.
To be out in the crow's nest singing my song,
"Shiver me timbers" lets all sail away.
And the fogs lifting, the sands shifting, I'm drifting on out old Captain
Ahab got nothing on me.
So swallow me, don't follow me, I am traveling alone the water is my daughter. I skip like a stone.
Won't you please call my family, tell them not to cry,
My goodbyes are written by the moon in the sky.
Say "Nobody knows me I got no reason to stay"
"Shiver me timbers I'm sailing away . . ."

OH, for the days of wine and roses.

CHRISTOPHER CHARLES MATTHEWS - Choir, Varsity Soccer, C.S.F., Letterman's Club.
(Dedicated to . . .)

"To develop your highest potential, become you highest rival."

BRENT McCARTHY - Freshman Football, C.S.F.,

House of Representatives, Asian Cultural Club.

Half of myself hopes to someday visit a lonely mountain road with 300 H.P., sway bars and Pirirelli P-7's. The other half enjoys nature as God gave it to us. I hope to someday bond the two desires as a Mechanical Engineer. Think of life in our world as a reward of paradise, and it will reward you.

LAURA McGAUGHEY - Beginning Dance, Beginning Glee, Advanced Glee, Concert Choir, Aristocracy, 3 years Drill Team member.

"The unexamined life is not worth living"

Socrates

ERIN McKEE -

There a reason for all that rhymes
it's the facts and the way of the times
It's moving emotion, it's high and it's low, no matter where you go
There is something for all who look
there's a story in every book
All of the pages, between all the lines
so much that you can find
But there's too many empty lives my friend
And we just can't let then waste away
For life is a precious thing my friend
And we just can't wait another day
After all we're all the same, only
difference is a neme and where we are
in this crazy mixed up deal, there's so much that you can feel
Near and far it's where you are
And theres times when I can't contain
All the feelings of love I'll gain
It's there for the asking, it's for all of you, if you would take it too.

Kansas

TINA MIEKOSZ - J.V. Tennis and Basketball and Varsity Basketball.

My goals are to live each day as it comes and also to keep healthy and to get everything I want!

I will never forget West because there me and my best friend, Nancy Kmieciak did everything we could, including ditching, bugging the narks (Margret is my favorite), and of course going to parties. Even having them, oh what a mess!, and just having fun.

I want to say good-bye and thanks to my favorite nark, Margret and Mrs. Walkins for putting up with my lies, and also to West for my favorite and fun years. I'll never forget them!

And to Patrick Fuegelsang-I'll always love you!

RUTH L. MINTURN - Beginning and Advanced Glee, Dance Company, Honor Roll, C.S.F. N.H.S., Powder Puff Football, Citizenship, 2 years Pep Squad-Songleader

'There is something for all who look, there's a story in every book . . . For this life is a precious thing my friend, and we just can't wiat another day . . . It's there for the asking, it's for all of you if you would take it too.'

Livgren

JODY E. MORRISON - 2 years Band Letter, 2 years lettered in Soccer and Softball, member C.S.F.

"I love my Ducky!!"

CHERYL NOVOTNY - 1 year Tall Flags, 1 year Tall Flag Captain, 4 years Band, F.B.L.A., Principal's Honor Roll, 3 years Citizenship Award, Bicentennial Tour, 1979 Rose Parade, Ram's Halftime Show.

I wish the best of luck to everyone at West High.

SUSAN G. PACOLT -

Well, I finally made it through four years of hard work and tests. I had a lot of good times at this school which I'll remember forever. And I also had my share of bad ones, too. I'm going to work super hard to achieve my goal (which is nursing) and I'm not going to quit. I believe that if you keep reaching for what you want in life, you'll get it, I assure you.

My advice to all incoming Freshmen: take school seriously and have fun while you can, because you high school years are supposed to be your best.

CYNTHIA PEARCE - Marching Band, Wind Ensemble, Asian Cultural Club, Student Exchange Club, C.S.F., N.H.S., Exchange Student.

"It was great. But nothing can compare with what is yet to come."

SUSAN PEARCE - Beginning Glee, Advanced Glee, and two years in Concert Choir.

This may not seem a very impressive list, but it's what I'm most proud of and it's where I learned the most. I learned to give of myself and not be concerned with what the rest of the world thought about me. I learned to work with people and be consistant. I learned to strive and achieve the unique joy and fulfillment that only music can bring; joy deeply rooted in the love of Christ. I learned to care about people and to appreciate them where they were. And I learned to like myself and to improve on that self a little bit each day.

These are what music and people and Mr. Fenn have taught me in four years; four years of feeling, living, learning, and growing with people I will never forget. (Especially you, Mr. Fenn. You have made my life so rich.) I may not have been involved in sports, clubs, or student government, but my life and my mind have truly been opened up in these four years. And I hope I never reach the point when I become closed and cynical, devoid of the child-like wonder and amazement so uncommon in our world.

"Cherish yesterday . . . dream tomorrow . . . live today . . ." That is what I have learned.

TERI PENNINGTON -

Making Memories
Our tomorrows rolled away . . .
unfolded in the past they lay.
Now we call them yesterday,
when memories were made.
Locked forever in the past,
today has journeyed there so fast.
We've only memories to grasp,
of life's role that we have played.
Still, today is not too late,
for magic moments we relate,
if we could just leave out the hate,
as to the past they fade.

YOLANDA PIETRANTONIO -

West:

You have given me the best of my high school years.

Now I must go and start a new life with Greg.

TERRI PISCIOTTA - A member of W.W. of W.

Have you ever flown high?
I can't help but feel I did.
I flew up and far
It was easy; I didn't really even try.

Jeffrey Scott

DAVE PON - "There can be no rainbow without a cloud and storm"

JH Vincent

This is only the start of the race, but with effort we can all be contenders and winners. Believe in yourself and in your dreams and may all your dreams come true. It's been great WEST, Goodbye . . .

ERIC POTTER - Deeds and Dreams . . . if I take there words to mean what most people typically take them to mean, I would tell you all about me wonderful deeds and my lofty dreams. Just how boring would this section of the yearbook be if everyone recounted all of their pure and silent deeds along with wishfull dreams of their blossoming careers???
I guess I just don't want to conform to societies standards and morals since the vast majority of things I recall enjoyed were indeed sinful, bad, immoral, inseperable, etc. All comments aside, though, I'll get on with the mushy, gooey business of patting myself on the back for all me good deeds and triumphs. And to cast my eyes towards the future, where my destiny lies! Isn't that just a little corn-ball?

Above all (or below all), I had a blast here at West High, in Torrance, California. I will admit that often the fun things we did were **not** in the best interests of the administration and/or faculty. But, as Mr. Joel would put it: "I'd rather laugh with the sinners than cry with the saints . . the sinners are much more fun; 'cause only the good die young."

I will miss West High, and it's contents; but it will be good to move on.

NANCY PURDUM - 1 year beginning Glee, Advanced Glee, Choir, and Aristocracy. Aside from the above, I'm proud to say I've conquered a fatal disease I had in earlier years . . SANITY. I lost the hideous thing my sophomore year, and have been totally insance since! The immortal words of Monty Python member Dr. Oraham Chapman sum up my feelings on the subject of sanity:

"There are many people in the country today, who through no fault of their own, are sane. Some of them were born sane, some of them became sane later on in their lives. It is up to those of us, who are out of our tiny little minds, to help these people to overcome their sanity."

If you don't like what I've just written, you can stand upside down with your head in a bucket of Piranha fish. So there, what do you think of that?! THERE, WHAT DO YOU THINK OF THAT?!!

"Above the youth's inspired and flashing eyes, I see the motley mocking fool's-cap rise!

Thomas Hardy

ELLEN PUCHRIK - 1 year of Peer Counseling, 1½ years of Modern Dance 2 years as Assistant Editor of Arrowheads, 1 year as Editor-in-Chief. WARNING: This paragraph contains no poetry, quotations, or pearls of wisdom, so if you're on the look-out for a soul-shaking experience don't bother to read it. But in case you do, always remember the moon is trying to kill us!!!

In the future I hope to take up snail-farming and discover a cure for American politics. Also to go to England, my homeland, and roast every member of Saturday Night Live over a slow fire.

Vive la Monty Python!!

RICK QUICK -

No offense intended teachers but, it's GOOD TO BE GONE!

MAUREEN REIDY -

All I have to say is . . .
THANK GOD I'M OUT!!

PAM RICHTER - Modern Dance, Smoke Signals Staff.

"To him whose elastic and vigorous thought keeps pace with the sun, the day is a perpetual morning."

Thoreau

GUY ROCKEFELLER - CSF, NHS, Honor Roll, 4 years Band member, 1975 Rams halftime show, 1979 Rose Parade, Rats Beach Party Participant. Life is like a roller coaster; sometimes you're high, sometimes you're low, and sometimes you feel like you're going to crash.

KEN ROSADUIK -

"All that is gold does not glitter,
Not all those who wander are lost.
The old that is strong does not wither,
Deep roots are not reached by the frost.

J.R.R. Tolkien

I Stook Upon A High Place

I stood upon a high place,
And saw, below, many devils
Running, Leaping,
And carousing in sin.
One looked up, grinning,
And said, "Comrade! Brother!"

Stephen Crane

VALERIE ROSS -

Just thinkin' about
Tomorrow
Clears away the cobwebs
And the sorrow
Til there's none.
Tomorrow
Tomorrow
I love ya tomorrow
You're only a day away

-Annie

LAURA ROTBART - Beg. Glee, Adv. Glee, Choir, Drama Club, Forensics, Asst. Director Miracle Worker, Principals Citizenship Award, Senior Year

I've found through the years at West that the door to success and happiness are always unlocked, but the only one that can actually open it is yourself.

Thanks to the people who motivated me to open the door. It was a long haul, but worth it.

JULIE RUSSELL - Looking back, I'm amazed how much I have changed in four years. I began high school as a quitter and finished a bona-fied student. This is the accomplishment of which I am most proud. High school is an experience unforgettable. To Scott I owe 2 years of happiness and much, much more!

Remember,

"What sculpture is to a block of marble, education is to the soul."

Addison

GITTA SALOMON - I hope that the things I was involved in or accomplished at West, will have left enough memories with me, that I will not need words to remind me of them. I also hope that my friends will remember me, not through a list of activities I was involved in, but rather a person, therefore, I break custom, and leave the following poem, in hopes that it will encourage many to pursue knowledge.

I met a seer.
He held in his hands
The book of wisdom
"Sir," I addressed him,
"Let me read."
"child—" he began.
"Sir," I said,
"Think not that I am a child,
For already I know much
Of that which you hold;
Aye, much."
He smiled.
Then he opened the book
And held it before me.
Strange that I should have grown so suddenly blind.

Stephen Crane

RAJAN SAMTANI -
Remember,
There are only four types of people in this world:
He who knows not, and knows not he knows not,
He is ignorant; keep away from him
He who knows not, and knows he knows not
He is a learner; teach him.
He who knows, and knows not he knows.
He is a fool, avoid him
He who knows, and knows he knows,
He is the master; learn from him.
Anonynous

DAVE SARKISIAN - One year of boys chorus, Three years of choir, in my senior year I was president of choir. 4yrs of soccer, Bay League champs twice. 3yrs of baseball: 1yr frosh/soph, 1 yr J.V., 1yr Varsity. J.V. year of baseball I was M.V.P. and J.V. year of soccer I was M.V.P. also.

KATHY SCHNORR - Beg. Glee, Advanced Glee, Choir, Artistocracy, Drama Club.
Thank you Mr. Fenn for your help and knowledge. Goodbye to my favorite teachers: Mr. Fenn, Mr. Scarlata, Mr. Ebey, Mr. Call (Teddy bear), Coach Adams, Mrs. Harrel, Mr. Palazzo. Thanks for the great and understandable teachings. Good memories of the days past are the best memories of all.

Later,
"Darth Vader"
(See ya later, bye!)"

NAN SCHWANBECK - Conflicts and conquests are all a part of life. And I must admit, I did a lot of living at West High. High school experiences all seem to build character, and I'm sure that by the time I'm gone, I'll be full of character. Thanks to all West High people, good or bad, I can plan to be confident and **awesome** at anything I do in life.

ALISON SHERMAN - 4yrs Marching Band, 3½ yrs Wind Ensemble, Stage Band, Bicentennial and Dixieland Bands, Christmas Lane Parade, 1979 Rose Parade, 8 time superior medalist at local and regional S.C.S.B.O.A. Solo and Ensemble festivals, Orchestra for "Bye Bye Birdie", S.C.S.B.O.A. Honor Band, All-State Honor Band, Advanced Glee, Choir, Aristocracy, S.C.V.A. Honor Choir, Beginning and Advanced Drama, missionary in "Guys and Dolls", 'Bebe' in "Shubert's Last Serenade", 'Mrs. Vale' in "Sneaky Finch", C.S.U.D.H. Outstanding Female Comic Performance 1979 for "Shubert's Last Serenade", C.S.F., Citizenship Award, L.A. Times 'A' student, Principal's Honor Roll

Do not go gentle into that good night,
Rage, Rage, against the dying of the light
Dylan Thomas

HAROLD SHIMIZU - Medical Club, Asian Cultural Club, Varsity Track, Varsity Basketball-Manager, Int. Limboist, and Star Trekkie.

To all my friends and instructors at West, I leave this message:

"Live long and prosper . . . and may you attain Nirvana."

LORI SITTEL - Drama Dance, top 15
Homecoming, Powder Puff football, member of W.W. of W., Kitchen 4 period 2 (We don't burn EVERYTHING!), charter member of the Snake of the Year Club.

Who we are
Who we become
is determined
By those

DANIEL C. SMITH - 4 years Marching Band, 2 years Concert Band, 2 years Advanced Band, 2 years Stage Band, 1975 Ram's halftime, 1976 Bicentennial Trip, 1979 Rose Parade, 1 year Band President, 1 year Band Vice-President. Probably the only Band President to never be in the Wind Ensemble. 3 years of J.V. Tennis, 1½ years as "Scoop Smith" of Smoke Signals, L.A. Times 'A' Student and I even got a citizenship award one semester.
My dream is to make $1 million before I'm thirty, but with inflation like it is, I probably won't be the only one to do it. So after I make my $1 million, I'd like to travel around the world, but I don't suppose I'd be the only one to do that either. So I suppose I'll just be myself, I don't think anyone else can do that as well as I do.

SHANE SMITH - Tennis team 4 years, J.V. League Champs '78, J.V. Team Captain, Marching Band 4 years, Wind Ensemble 3 years, Stage Band 2 years, Ram's halftime show '75, Rose Parade '79, Bicentennial Band Tip '76 Algebra 1 3 years, L.A. Times 'A' student, citizenship awards, A.A.B. 2 years. "Don't see things that are and asky 'Why?', but dream things that aren't and ask 'Why not?'" For some the party's over, but for me it's just begun.

DAN STOWE - In four years at our revered institution, I've collected quite a few things that I deem to be of great value. Through the choral groups, I've learned to add my own chuckle to the "Laughter of the Gods." Basketball gave us good jokes and good competition; Student Council taught me to argue and dissent. Four year member, "Laugh About Reality" club. Mobs have trampled my home, and I haven't regretted any of it. A thought:

"Do not gloat over achievements, for they pale considerably next to waht you could have done."
. . . And it's only the giving that makes you what you are.

DEBRA SWEGER - 4 years Varsity Band, Bicentennial Band, Concert Band, Advanced Band, Wind Ensemble, Citizenship Award, C.S.F., N.H.S., Sailing Club, Academia, I.C.C. representative, Rose Parade, Ram's Halftime.
High school is one of the most rewarding times during life; our last playground, filled with friends and beneficial learning experiences. It's been fun, Thanks West High for broading my horizens.

GLENN THOMAS -
If a friend were to die in your place, of his own will, for something wrong that you did, wouldn't you believe that his friend loves you, or at least has a great concern for you?
Jesus did die for you, as a living sacrifice for **your** sins. So what more proof do you need that Jesus truly Loves YOU.
God will not allow any sin in His presence, the Bible says in Romans 3:10, "There is none righteous, noe even one"; Romans 3:23, "for all have sinned and fall short of the glory of GOD."
But god provided an out, an escape for us to return to His glory. The Bible says in John 3:16, "For God so loved the world (you and me), that He gave His only begotten Son (Jesus), that whoever believes in Him should not perish, but have eternal life."
"A man has many friends of companionship, but there is a friend who sticks closer than a brother." Proverbs 18:24.
Think about it, would your best friend, or friends die for you if you were sentenced to death? Jesus did! Please give Him a chance. Thank you.

CHERYL THUNE 4 years Marching Band, 3 years Wind Ensemble, 2 years Stage Band, Chorus-"Bye Bye Birdie", Chorus-"Guys and Dolls", Beginning and Advanced Glee, Choir, Aristocracy, 2 years S.C.V.A. Honor Choir, Rose Parade 1979, Bicentennial Trip, 1975 Rams Halftime.
To find a reason.

ROBIN TULER F.B.L.A. Club, West High Representative for F.B.L.A. Southern California Conference, Explorers Ski Club, Bats-n-Babes, Drama Club, Vice-President of the "Snake of the Year Club", Excellent Citizenship Award, and commendation for high level of academic performance.
Remember me when I am gone away,
Gone far away into the silent land;
When you can no more hold me by the hand,
Nor I half turn to go, yet turning stay.
Remember me when no more, day by day,
You tell me of our future that you planned;
Only remember me; you understand
It will be late to counsel then or pray.
Yet if you should forget me for a while
And afterwards remember, do not grieve; For if
the darkness and corruption leave
A vestige of thoughts that once I had,
Better by far you should forget and smile
Than that you should remember and be said.
Christina Rossetti

ROBERT UNGAR - Aristocracy, Choir, Guys and Dolls, My Sister Eileen, The Childrens Story, Bye, Bye Birdiee.
If the massive swelling of my lower face ever subsides, I'd like to thank that I'd like to do music. If it hasn't I won't make very many personal appearances.
Amy, Don't ever forget the tennis star.
Ah, les bons vieux temps ou nous etions si malheureux!

MARIE WOLKEN NHS, CSF, Beg. Glee, Outstanding Student in Home Economics, "E" citizenship award.

We have lived and loved together
Through many changing years:
We have shared each other's gladness
And wept each other's tears: . . .
. . . I have known ne'er a sorrow
That was long unsoothed by thee;
For thy smiles can make a summer
Where darkness else would be.

Charles Jefferys

RAY WOODMANSEE -

ON a crystal morning I can see the
dewdrops falling.
Down from a gleaming heaven, I can
hear the voices call.
When you comin' home now, son, the
World is not for you.
Tell me what's your point of view?
As I look to the sea
reflections in the waves spark my memory.
Some happy, some sad, then
I think of childhood friends and
all the dreams we had
But clubs and cliques, they choose and pick
and they make their interviews.
Screen the undesirables
and, turn down clowns and fools,
So I've paid my dues
Time after time
I've done my sentence but committed no crime
And bad mistakes.
I've made a few, I've had my share of sand
kicked in my face
But I've come through.
So there's a feeling I get when I look
to the World.
And my spirit is crying for leaving. Those people
in clubs and cliques who stand looking—
Guess you aren't expectin' a ressurrection
very soon
That story's got to be bunk about that
trumpet tune
But won't you be surprised
when you realize
It's all happenin' before your eyes
Oh my! You'll cry as we wave goodbye
to you.

DEBBIE YEE - Swoirraws, Modern Dance, F.B.L.A., Asian Cultural Club-Activities Committee, Student Exchange, Academia, Community Club

To **all** my friends:

Friends are very special to me,
They're always nice to me to see.
Friends all full of laughter and fun
Yet bright and strong like the sun.

I know you will always be here
You always seem to have a lending ear.
I knew when our friendship began,
It was part of God's plan.
All I can say, my dearest friends-
Thank you for the love that you send.

I want to thank my "special" best friends, Dad, Mom, Jennie, David, Karen and Allen, for all the love, care, understanding and support you've given to me. I couldn't have reach my goals if it were for you.
Assistant

KATHY YEE - Editor of "Arrowheads", Student Exchange, Asian Cultural Club, Chess Club, "A" Citizenship Awards.
It seems like only yesterday we were all saying "hello" and making new friends, and now it's time to start all over. I met some really special friends here at West and we did lots of fun and crazy things. I just hope and pray that we will always hold in our hearts the glowing moments we had together, forever.

Freshmen Have Three More To Go

Julie Russell-Editor-in-Chief

We the staff, designed this annual for you, the students, in hopes of offering an effective rememberance of the year 1978-79.

A **good** annual, like good cheese, gets better with age. A **good** annual is one that prevents students from forgetting those things which make these long four years of high school something special. I feel pretty confident in saying that this is a **good** annual. I hope you agree.

In picking the theme we tried to come up with an idea that would interest every student. We believed music to be that common link.

The biggest hurdle every annual stagg faces is that of how to incorporate the theme idea throughout the entire book, not just on the cover or in the opening section.

I believe we have so successfully jumped this hurdle that our book will be used as an example to other staffs. I may sound a bit proud, but if you've got it, you've got it, and we've sure got it, and now so do you.

Thank you and enjoy.

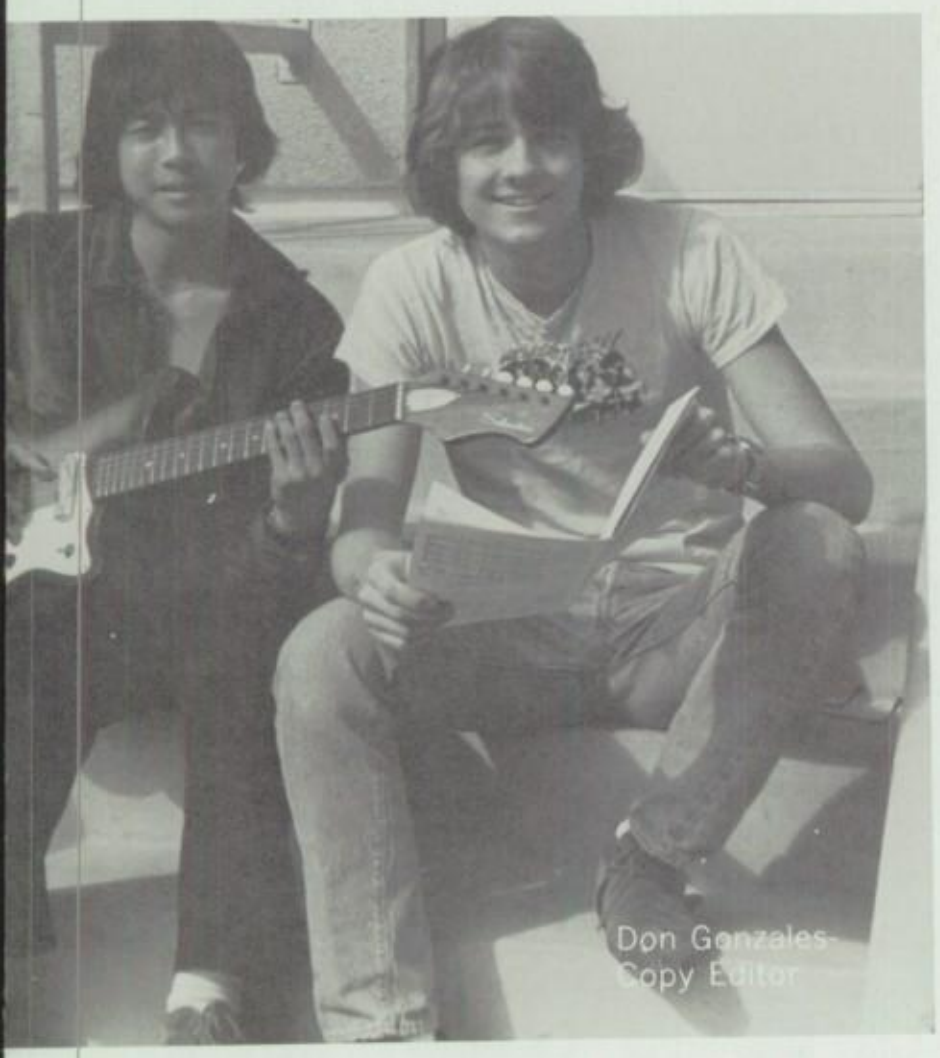
pecial
hanks To:

Mr. D Avdisor

DARRYN—for being my staff buddy for three long years. You always managed to organize all the loose odds and ends that I could never keep straight. Thanks for saving me the head-aches.
DAN—for adding your own special humor to 5th period. You taught the photographers a lot and occasionally read some copy. The title page turned out great. Thank you much.
JANE—for putting together a very different and fantastic section. You had a lot of great ideas that turned into even greater pages. Thanks for working so hard on those six extra pages to bail us out after we missed the second deadline. And remember, next time you get stuck in three feet of snow. Don't!
GITTA—I think you almost (not quite) but almost, deserve as much glory (if there is any) for this annual as I do. Your section was great but then you had the best teacher around. Thank you for supervising Saturday sessions and for being my special friend.
ANN—for being the one staff member I never saw lose her temper no matter how bad the circumstances. Think you could give me some lessons? Thanks for putting up with deadlines that were always a week too early. Your section is super.
ROBERT—for getting all your pages completed so early in the year. It was tough but I knew you could do it. Consider yourself an authority on the art of bugging photographers.
SUSAN—for doing the most confusing most aggravating, most mind-boggeling section in the book. You survived! Maybe someday the S.D. & D's will turn up. Lets hope not. Thanks for making a great class section and for being my special friend.
AIMEE (Mimi)—for being the shortest half of our winning co-head-photographer team. Thanks for putting up with last minute assignments and editors in the darkroom. Good luck next year.
MIMI (Aimee)—for being the slightly taller half of our winning co-head-photographer team. We never would have made the first deadlines if you hadn't worked so extra hard. Thanks. Good luck next year.
KEN—for the license plate and the magazines for the music collage. What can I say——but thanks for doing everything you were asked to do and more. You made the section. Thank you much.
ERIN—You made Jane's section and staff a lot of fun. Thank you for always doing your best and being everyones friend.
ROBYN—I'm sorry things weren't always at their best. You accomplished some great pages that you should be proud of, I know Jane is. Extra special thanks for writing the opening section copy. What would I have done without you?
JEFF—for putting up with all the hassles, last minute photos and weekend sessions and being an all around star. You came through every time. Wouldn't you rather be skiing?
DWIGHT—for trying you hardest. (snicker, snicker). You really came through the last few deadlines. "Who's Dwight?"



Don Gonzales-Copy Editor

GINNY—I can't even begin to thank you for all that you have done this year in sports. You really helped pull the section together. You were great!
PAUL—In this day and age when soccer studs, like yourself, are worshipped, I really thank you for being able to spare the time to do a super-terrific job in sports. You helped out a lot. Much Grass.
MERILEE—(the baby of the family) Thanks for running all those errands for me and for letting staff use your house for the X-mas party. You did a great job in Academics. Keep it up next year.
LANCE—(The Eagle) Thanks so much for all the hours you put not only into Academics but also helping Susan. You help was re-assuring. We couldn't have done without your humor.
MICHELLE—Thanks so much for you dependability. When the going got rough, it was comforting to know you were always there. You can handle that fire extinguisher almost as well as the chair seat. Where did go anyways?
ROLAND—Your promptness with the teacher pictures stuck around all year. Thanks for all your help in and out of the darkroom. Mimi says you can model for her anytime.
DEAN & GLENN (DENN & GLEAN?)—Thank you for putting up with all the leftover 5th period photographers who hogged the enlargers.
GREG BELLUCCI—for your stunning album cover. Your good humor and-patience with the staff in the design sessons were appreciated.
GABE KREISWIRTH—for your record label design. It was just what we needed.
MARY SPAID—for your technical assistance with the record label.
Mr. D.—for the theme idea. It turned out great thanks to all your help. The next time you want to drive to Hollywood on a Friday night find someone else to go with, O.K.? I'm going to miss you. Bye.
SCOTT—for everything. The opening section pics, closing section pics, the cover, the endsheets, the division page insets, the football pics, the home-coming pics. Thanks for being the one I could always turn to in moments of crisis. I hope your shoulder dries out someday. Love ya! XOXOX
PAUL (my brother)—for the opening section pics. There wouldn't have been an opening section without you. Old annual staff photographers never die!!!

Alone
We are,
But a part of the
Whole.
Our separate lives,
Thoughts,
And actions
Fit together.
They are the harmony
Within the unity
Of the collective ideas
of humanity
